

Dear Parents and Carers

What a fabulous week we had this week with the highlight being the Premier League's Trophy Tour visit! On Wednesday our hall was full of excited children and adults as we listened to Jez from the Premier League talk to us about the trophy, the Premier League and how it is important to work hard to achieve our hopes and dreams!

19,000 schools throughout Britain applied for a trophy tour and Worsley Bridge was 1 of 22 schools to receive a visit thanks to Oliver Butler, Local Committee member. Oliver works for the Premier League and nominated us for the visit because as an ex-pupil who valued the great start that

Worsley Bridge had given him he thought this would be the perfect way to thank the school. As Oliver talked to us we learnt that as a child he lived and breathed football and that was the only thing he knew he wanted to do as an adult. He explained to us how school helped him to gain his dream job and now he spends all his time writing about football!

During the assembly we were joined by Ben Shires from Officially Amazing. As you can imagine this too caused great excitement. Ben explained that before he was a TV presenter he trained to become a lawyer as everyone had told him that this was a 'proper job' and TV wasn't. Ben told the children that this work did not make him happy and how he gave it up to work in TV. The journey was difficult and involved working long hours in poorly paid roles that he didn't always enjoy. Ben explained how he remained determined and focussed on his dream and now has the job he loves. He thoroughly enjoyed his day at Worsley Bridge and complimented us on our wonderful children as did the rest of our visitors!

We would like to thank Oliver, The Premier League and Crystal Palace Football Club for such a memorable occasion! The day was very inspiring and left us all thinking about what we were capable of achieving if we work hard enough! Please visit our website for pictures of the day!

Before I sign off I would like to apologise to Hasanatou, Rocchae and Ela for missing them off the football team last week! Girls, you did a fantastic job and we are very proud of you. Thank you for representing the school so well. I would also like to thank 6B for their wonderful assembly on World War Two. You delivered the assembly so professionally and it was clear to see how hard you have worked and how much you have learnt. Woo-woo Harvey!

Wishing you all a very enjoyable weekend.

Mrs Williams
