Dear Parents/Carers,

Thank you to all the parents that came this morning to watch 5W's space themed assembly! The children have been reading the very funny Power of Reading book 'Cosmic' by Frank Cotrell Boyce which is set in space. The assembly was full of facts, extremely well-rehearsed and provided us with an opportunity to see another side to the children as they performed their rap! It was wonderful to see so many family members here supporting their children with their learning!

Homework is a valuable part of our curriculum and I have been incredibly impressed with some of the work coming in! Earlier this week Cory, in year 5, zoomed past with a rocket he had enjoyed building with his uncle and this morning Anouska stopped to share her project about her family! Haris visited my office to share some extra homework that he had set for himself! The facts were really interesting and beautifully illustrated. Children gain a lot by working with you on their projects and we would like to thank all our parents who make sure homework is completed on time!

Mrs Smith has been visiting classrooms this week to congratulate the children who have been wearing our school uniform with pride. Classes 2W, 2B, 4W, 4B, 5W, 5B, 6W and 6B were all rewarded with ping pong balls for their Golden Jars. Other classes are narrowly missing out because children are wearing polo shirts and forgetting their ties. Ties with names on are easy for us to return to children if they lose them and new ones can be purchased from school for £3.99.

This weekend will be a quiet one for many of us but not for Miss McEwen (our receptionist) as she will be getting married! During assembly we held an extra rehearsal for Miss McEwen as children in 5W showered her with confetti and acted as bridesmaids while she walked down the aisle! We wish her every happiness and look forward to seeing some of the wedding photos on Monday!

We look forward to seeing you next Tuesday or Thursday at parents evening. This will take place in the **main hall**. Those parents with early appointments will need to walk round to the entrance on Brackley Road so that you can sign in!

Before I wish you a good weekend please remember that school will be shut to pupils next **Friday 21st October** as we have an INSET day for teachers.

Mrs Williams

DATES FOR THE DIARY

20-10-16	PTFA cake sale	11-11-16	4W Class Assembly

PTFA

Shed Building Delayed

Thank you to the families that offered to help build the shed. Unfortunately there has been an issue with the delivery so we are unable to complete the build this weekend. We will be in touch with a new date very soon!

Road Closure

We have received the following information from a traffic officer to say that **Southend Road** will be closed between the junctions of **Brackley Road** and **Park Road** from Saturday 22nd October for up to two weeks for Thames Water sewage repairs. Although this is beginning in the half term the closure could be up to two weeks and may still be in place after half term. Please take extra care on the local roads as they are likely to be very busy and allow extra time for your journey to ensure you arrive at school on time.

REMINDERS AND NOTICES

Dogs

Please can we remind parents that dogs, no matter how cute or good tempered, cannot be allowed onto our premises.

Play equipment

Every evening we are having to ask children to come down from the play station. The children know that this area must only be used under close adult supervision. Please ensure your child remains with you if you are waiting for siblings. We will be recording the names of those children who

Beckenham Junior Choir

Lots of children at Worsley Bridge enjoy singing. Beckenham Junior Choir are looking for new members from 6-11years old. They meet term time at Beckenham Baptist Church from 6.00-7.15pm. Further information is available on their website:
