Dear Parents

On Monday Mr Smith led a Sports day assembly where he announced the overall winners to be **Red Team**. Congratulations to all the children who were part of this team-you should feel very proud of your achievements! I would also like to say well done to the whole school for participating so enthusiastically-particularly in the heat! It was a fantastic event and lovely to have the whole school

community together.

As part of the assembly Mr Smith awarded special badges to the 1st, 2nd and third place winners of all the race events. As you can imagine this is a very long list so we will place a copy of the names on our achievement board! Well done to all our champions-we hope to see you competing in many more events to come! (More photos can be found in the gallery section of our website.)

In Friday's assembly we were inundated by a hall full of Spiders when RB performed to the children,

their parents and grandparents. We were in for a real treat as they battled stage fright to act out the story of 'Aaaarrgghh, Spider!' by Lydia Monks – a real delight to watch. Well Done RB!

Throughout the course of the year our Junior Travel ambassadors, Ignas and Steven have been working tirelessly to promote safe travel throughout school. They have written and delivered presentations, run competitions and shared their work with other schools within the borough. I am thrilled to tell you that they have been selected as one of 5 'Top Teams' in Bromley and have been invited to meet the Mayor of Bromley, tour her office, have lunch and then they are being treated to an afternoon at the bowling alley! Thank you Steven and Ignas for working so hard with Mrs Smith to help keep us safe when we are out and about on the roads!

Another huge well done to a group of our Year 6's, who were nominated by the Year 6 team for their hard work throughout the year. They were rewarded with a day at the O2, where they were given certificates by Ore Oduba on behalf of Pixl organisation. These children are Yagmur, Renee Mason, Luis Metkaj, Sakariye Muhumed, Gustas Zukauskas and Ignas Zukauskas. We wish we could have taken all our Year 6's due to all of their hard work and resilience that they have shown throughout the year – we are proud of all of you!

Before I sign off I would like to thank Mrs Dagada who has been working with Mrs Swain to translate a number of common maths words! This has been a very valuable piece of work and many children will benefit by having greater access to our maths curriculum.

Wishing you all a lovely weekend-please enjoy the sunny weather but take care not to burn!

Mrs Williams

Sun Cream/Sun Hats

Summer seems to have arrived so please can you make sure that sun cream is applied before school and that children bring in a hat. It is a good idea to make sure that children have a water bottle in school too!
