Dear Parents/Carers,

What a busy week it's been! On Tuesday children in Year 3 wrapped themselves up to participate in a Scoot Sure training session out on the playground! During the

lesson the children were given lots of helpful tips to keep them safe when they are out and about on their scooter. On the

same day children in Year 1 took part in a series of road safety workshops to learn more about being keeping safe too! The children and instructors thoroughly enjoyed their day and we thank the Bromley Road Safety team for their

excellent input.

On Wednesday we had a very special guest. Dominic Herrington, the Regional School's Commissioner for the South East of England and South London, made a visit to Worsley Bridge to find out about all the wonderful things taking place at our school. Mr Herrington observed teachers in action and talked with a number of children about their learning and why they enjoyed life at Worsley Bridge. Following the tour he met with the Senior Leadership team to discuss our plans for continued improvements at Worsley Bridge.

I felt incredibly proud of the school community and all we have achieved over the past few months and it was wonderful to be able to 'show off' our fabulous children, staff and building! Mr Herrington certainly wrote a lot of notes and even went on to tweet about us! If you'd like to find out more about

the role of the commissioner visit: <https://www.gov.uk/government/people/dominic-herrington>

Well done to 3B for their wonderful assembly! You had prepared well and we have learnt an awful lot this morning!

Don't forget that it is our Christmas Fair tomorrow, starting at 12pm. The PTFA have been working tirelessly this week to finalise the arrangements and it promises to be a fun filled afternoon. I look forward to seeing you there!

REMINDERS AND NOTICES

Crossing Copers Cope Road

I would like to draw your attention to a petition for a zebra crossing on Copers Cope Road. I personally think this would be a great support to many parents and would urge you go onto the website and show your support:

Fire Engine

On Wednesday you will see a Fire Engine on site. The Fire Service will be visiting year 5 so please don't be alarmed!
