Dear Parents

This morning got off to a fabulous start as 5B taught us all about the Victorian era. The children were excellent performers and packed in plenty of interesting facts alongside lots of laughter-it was just like watching an episode of Horrible Histories! Well done and thank you 5B!

I would like to say a big 'THANK YOU' to all the families that stopped by at our stall at the Market on the Green. It was a wonderful day and we thoroughly enjoyed being part of such a lively community event. A number of 'new' families visited the stand to

find out about Worsley Bridge and I have already seen some of them at our Open Morning yesterday!

Maisie and Cassius you did a great job of giving out fliers and Maximilian, I really enjoyed your company when you visited!

On Saturday the PTFA worked incredibly hard to organise the open air cinema. The astro looked amazing with the giant screen, families picnicking and chairs laid out ready to watch Mrs Doubtfire. It was such a shame that we were not able to show the film due to technical difficulties. The onsite team did their best to get the film going but it was not to be. We realise this was disappointing for you all and hope that you have received your refund. We would like to thank everyone for being so understanding and supportive. We hope to try again once the

warmer weather returns. A big thank you to all the members of the PTFA for your efforts, it really is appreciated despite the not so happy end. . PTFA have asked me to remind you that there is a meeting on **Monday 2nd October at 2.30pm** please come along and offer your support

Wishing you all a great weekend

Mrs Williams

CELEBRATING SUCCESS

A number of children have received their first Athletics certificates this week! We have placed photos up on our celebration board! Well done everyone. Congratulations also go to Ms Foley, Mrs Rose, Miss Harley and Mrs Walker as they received their Paediatric First Aid Certificates. They all successfully completed their training and we are very proud that they have continued to learn new things!

I would also like to share Cory's excellent homework with you all! Inspired by his WW2 topic, Cory and his uncle have made a replica of a tank! I think you'll agree that it looks brilliant!

SAFETY AND WELL BEING

Attendance

Congratulations to 6B for being the second class this year to achieve 100% attendance! You can now place 5 more ping-pong balls into your Golden Jar! I hope you are beginning to think about the treat you want once that jar is full. Overall attendance has dropped this week to 95.6%. Let's try to get into school more next week WB!
