Dear Parents

This morning started with a fantastic assembly from 6B. They have been busily squeezing in rehearsals around their preparations for the end of year production and those of you who saw it will agree that they managed to keep us very entertained! Well done 6B-Mrs Saunders will be very proud.

On Tuesday we welcomed our new reception children into school for the very first time. The children arrived a little shy to start with but by the end of their 'stay and play' session there were lots of children who just didn't want to go home. It was a good job that Jack, Maisie, Harvey and James from year 5 were there to help! They gently explained that they would be back very soon! Thank you for all your help-it really made the afternoon go well!

For those of you who attended the welcome afternoon with a sibling already in the school, you will have noticed that we have a new logo on our welcome pack and paper work. Over the past few weeks we have been busily working on a new image for Worsley Bridge! We will launch the new logo to the rest of the school when we send out our reports. Please be assured that we will not be changing our uniform just yet!

For the book lovers out there I have some very good news. We will shortly be receiving a box of books from the Premier League Primary Stars that we will place in the book corner of the Rainbow Room for children to enjoy at lunch time. It will contain a whole host of new and classic titles. I would like to thank Oliver Butler, a member of the Local Committee for introducing us to this scheme. Oliver works as the editor Premier League (online) and they run the website Premier League Primary Stars. This website provides a wealth of curriculum resources for school and a whole host of competitions and support for families. We have one or two more surprises coming our way from the Primary Stars group so keep your eyes open for the next treat. In the meantime take a look at the website: www.plprimarystars.com and let us know what you have found to enjoy on the website!

Wishing you all a very restful weekend!

Mrs Williams

4W-95.0%

4B-96.7%

5W-94.8%

5B-94.1%

6W-92.1%

6B-88.7%

REMINDERS

Changes to the End of the Day

In last week's newsletter we spoke about the changes to the end of the school day **from September 2017.**

Reception classes will finish at **3.15pm**

Y1-6 will end their day at **3.20pm**

Although this is only a 10 minute difference please can families make sure they have arrangements in place to manage the earlier collection time?

Sponsored Bounce

Don't forget that next Friday the PTFA will be hosting the sponsored bounce to raise money for the climbing frame we hope to buy for the school hall. Children will bounce their way through Friday so don't forget to bring PE kits and to fill out the forms. The children with the most sponsors will have the chance to bounce through their lunch break too!
