1. Introduction

This is Worsley Bridge Primary School's Publication Scheme on information available under the Freedom of Information Act 2000. The governing body is responsible for maintenance of this scheme.

What a publication scheme is and why it has been developed?

One of the aims of the Freedom of Information Act 2000 (which is referred to as FOIA in the rest of this document) is that public authorities, including all maintained schools, should be clear and proactive about the information they will make public.

To do this we must produce a publication scheme, setting out:

- The classes of information which we publish or intend to publish;
- The manner in which the information will be published; and
- Whether the information is available free of charge or on payment.

The scheme covers information already published and information that is to be published in the future. All information in our publication scheme is either available for you on our website to download and print off or available in paper form.

Some information that we hold may not be made public, for example personal information. This publication scheme conforms to the model scheme for schools approved by the Information Commissioner.

2. Aims and objectives

The school aims to:

- enable every child to fulfil their learning potential, with education that meets the needs of each child,
- help every child develop the skills, knowledge and personal qualities needed for life and work,

This publication scheme is a means of showing how we are pursuing these aims.

3. Categories of information published

The publication scheme guides you to information which we currently publish (or have recently published) or which we will publish in the future. This is split into categories of information known as 'classes'. These are contained in section 6 of this scheme.

The classes of information that we undertake to make available are organised into four broad topic areas:

School Prospectus

- information published in the school prospectus.

Local Committee Documents

- information published in the Local Committee Annual Report and in other Local Committee documents.

Pupils & Curriculum

- information about policies that relate to pupils and the school curriculum.

School Policies and other information related to the school

- information about policies that relate to the school in general.

If the information you're looking for isn't available via the scheme [and isn't on our website], you can still contact the school to ask if we have it.

5. Paying for information

Information published on our website is free, although you may incur costs from your Internet service provider. If you don't have Internet access, you can access our website using a local library or an Internet café.

Single copies of information covered by this publication are provided free unless stated otherwise. If your request means that we have to do a lot of photocopying or printing, or pay a large postage charge, or is for a priced item such as some printed publications or videos we will let you know the cost before fulfilling your request.

A minimum charge of £1.20 for up to 6 pages A3

Further pages are charged at:

Information accessed in the school office can be viewed free of charge, photocopies can be made for 10 pence per A4 copy (and upwards of this charge as indicated in the scale of charges above). There is no requirement for a minimum charge as there is for material provided by post.

Postage

For standard letters (first and second class) charges will not be made. For larger collections of material, postage will be charged for any item or items in excess of a cost of £2.

Copies of published materials

Copies of charged publications are available on payment of the charge specified against that document on the website and in published catalogues. Postage for charged publications will generally be included within the cost of the item, or listed against that item on the website and in published catalogues.

Administration fees

As referenced in the Fees Regulations, charges can be made for administration where a request will take over 18 hours of staff time. Such charges are calculated at £20 per hour. If the request will take this amount of time the school may refuse it on the grounds of excessive cost, or ask the applicant to pay in full before supplying the information.

This fees regime was approved by the Local Committee, following publication of the 2004 Fees Regulations, and will be reviewed annually. The introduction of any further statutory obligations will also trigger a review of these arrangements.
