### Dear Parents/Carers

It was lovely to see so many of you at Parent's Evening this week and I thank you for your positive comments and continued support. Our new format will be reviewed and we will be taking into account your feedback.

Over the last couple of weeks we have re-established our links with Beckenham library and this week reception children visited Vanessa. RW have written all about their visit:

We went to the library.  
We walked all the way there and  
back  
We looked at the books.  
Vanessa showed us the scanner  
and the bins.  
We had a good time

It is wonderful to see our children applying their phonic knowledge to create their own sentences. Well done RW!

Before I wish you all a restful weekend I'd like to say well done to: RW-Aubrey and Franky RB-Whole class and Michelle RP-Gabriel and Halim 1W-Olivia and Ariyana 1B-Olivia and Zakary 2W-Elodie and Amari 2B-Lola and TJ for receiving a merit certificate this week.

## GOLDEN DAY

The 7<sup>th</sup> March brought much excitement to W.B.P.S when singing sensation Byron Gold spent the day working here. With unique warm-ups and catchy lyrics, he made sure even the shiest person felt like they could sing bringing out the Bieber in everyone, including the teachers!!!

Throughout the day, Byron ran exclusive sessions with our V.I.Ps, choir, Yr. 4 and Yr. 5, which were engaging and motivating. He was an inspiration to us all and it was particularly good to see some of our boys singing! (The girls of Worsley Bridge have always been confident performers!) Finally, to end his day with a bang, the whole school performed Byron's new song, 'I am Gold'. Sara from 5W said, "I loved it and it was fun when he made all those funny noises to help us to warm up. I would love to have him back again!" Even the teachers liked him as one said, "I thought it was very good. All the reception children were very disappointed when it finished."

Please visit our website for some footage of the day!

### COMMUNITY NEWS

#### SPORT RELIEF

Sport relief is coming up fast (18<sup>th</sup> March) and every class at Worsley Bridge will be participating in a fun sporting activity to raise money for this amazing charity. Sport relief is helping those with less fortunate lives than us, giving them much needed hope, money and for many the courage to carry on their lives.

The charity supports people, children and families alike. One special person Sport relief helps is Champa, a 10 year old girl from Dhaka in Bangladesh. She used to spend her day rummaging around crowded and busy streets picking up litter where unfortunately she had to pick up sharp objects, which sometimes cut her hands. Everyday Champa took to the streets with her little brother to earn a measly 50p per day. Could you imagine your family surviving on so little, or allowing your child out in dangerous conditions instead of sending them to school?

Sponsor forms should be with you and we hope you are already busy collecting sponsors so that the children of Worsley Bridge Primary School can help children just like Champa to go to school.
