Worsley Bridge Primary School Newsletter

Friday 16th October

One more week to half-term, where has the time gone? Today we have held our own Harvest Festival thank you for all your contributions. Year 3 have visited Crofton Roman Villa yesterday and had a fantastic time, making mosaics, drawing Roman Artefacts and in some cases dressing up as Romans!

Well done to Ms Smith, our JTAs and the whole school community. We have received the Gold Award for Stars (Sustainable Travel: Active Responsible Safe.) Of the 1500 awards this year, only 300 have been Gold. Ms Smith and two of our JTAs received the award on Tuesday in a special ceremony in London, a great time was had by all.)

On Monday 19th October a photographer will be in school taking pictures for the new website. If you do NOT want your child to appear in any publicity photographs please let Mr. Irwin know as soon as possible.

## PTFA NEWS

### Quiz night tonight

Looking forward to seeing you all at tonight's quiz night. It starts at 7.30pm, so arrive from 7.15pm to eye up the prizes and have a drink. Tickets are available on the door for £5, if you have not booked already.

### Halloween Disco -Thursday 22nd October.

Thanks to all the parents who have offered to help. Helpers - feel free to dress up if you would like! On that subject, to minimise changing time and maximise party time we're suggesting that Reception and Years 1,2,3 stick to a Halloween accessory such as a hat, mask or cats ears instead of a full costume.

So that we can best cater the event please return the reply slips ASAP

Please pick up your child (children) **PROMPTLY** at the end of the Disco. Children are not permitted to walk home on their own after the disco.

### Christmas Fair - Save the Date

The Christmas fair will run on November 28th from 12pm to 4pm. We'll need an army of elves to help on the day, so please add it to your diary.

### Fundraising Goals

So why do we do all this? As well as providing fun community events for the school our aim is to raise funds to buy equipment for the children. Our current aim is to contribute towards a new sound system and projector for the school hall, something from which both children and parents will benefit greatly.
