

PE Vision & Sports Funding Statement

PE Vision

Our vision for PE and School sport at Worsley Bridge Primary School is to provide an excellent and exciting PE curriculum supported by a rich programme of extra-curricular activities that are specifically designed to include all levels of ability. At Worsley Bridge we believe that physical education is an essential part of a child's educational development and we aim to develop a program that offers a variety of activities to enhance skills in physical education and one that can be advanced further by the substantial range of sporting clubs in the local area. Positive participation in physical education will enable children to build confidence, self-esteem, team work, fitness and resilience which are skills that can be utilized across the whole curriculum and in life beyond school.

We aim to:

- Develop confidence, skills and knowledge.
- Be Proud of achievements.
- Promote fair play and respect.
- Educate children to improve health and wellbeing.
- Provide quality opportunities for all children outside of school time.

To do so we will work with a number of partners such as:

- External Providers: Bromley FC, Smith's Sports Academy, CSCF coaching.

School Sports Funding 2016-2017

Below is a breakdown of the way in which we will spend our school sports funding over the current financial year. We have taken a blended approach of improving participation in different types of sport; improving resources and professional development opportunities for staff to improve quality of teaching; providing opportunities with qualified coaches.
