Year 3 Curriculum Letter Autumn 2 2016

We hope that you all had a relaxing half term! A particular highlight of last half term was our trip to Crofton Roman Villa. The children's behaviour was excellent and the trip was both educational and fun. We are excited about building on the progress we have already made so far this year and we are pleased with how well the children have settled into being in Key Stage 2.

English

In Literacy, we will be reading the books; *Stone Age Boy and Ug Boy*. The children will learn how to write in character, compose dialogue, plays, letters and write newspaper reports.

Mathematics

We will be developing our knowledge of multiplication and division, beginning with mainly practical activities. We will also be building upon our knowledge of fractions.

Science

The children will continue to learn about plants. We are examining flowers and seeds and discussing the life cycle of flowering plants. We are continuing to study the properties of different rocks and soils.

Computing

The children will be creating simple analogues. We will be creating simple instructions as a beginning to computer programming.

History

We will be learning about the Stone Age. We will explore their way of life, use of tools and diet. We are also exploring climate and the type of animals which existed at that time.

Geography

We will be exploring the needs of settlers linked with our topic of the Stone Age. We will also be using symbols to create maps.

Art and DT

The children will be developing their skills in pottery by building clay pots. They will continue to develop their painting and sketching skills.

Music

In Music we will learn how to sing songs in a round. Rehearsals are now well under way for the Christmas carol concert and we are looking forward to seeing you there!

MFL

We are learning to count in Spanish and to give and understand simple instructions.

RE

We will continue to learn about Hinduism, including the festival of Diwali before moving on to Christianity and the Christmas story.

PE

The children are learning to play 'tag rugby'. The other lesson is focused on building fitness and stamina.

PSHE

The children will discuss the importance of friendship, how to treat their friends and strategies to resolve problems if they occur.

Key dates for Year 3

22nd November – Scootsure session

Reminders

Please ensure that earrings are removed or taped over on P.E. days.

Please make sure your child has a warm, waterproof, **labelled** coat in school especially now the weather is getting colder!

Key dates are given in the weekly newsletter.

Please note that Forest School lessons occur whatever the weather!

Helping your child to learn

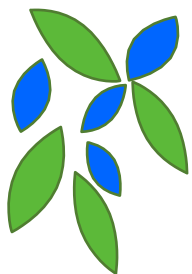

Your child has been given a 'Bugclub' username and password. If possible, please allow your child to access 'Bugclub' at home to help them develop their reading skills.

Times Tables

Please focus on the 2,4,5,10 times tables so your child can quickly recall the multiplication and division facts.

Thank you for your continuing support. Please do not hesitate to come and talk to us if you have any questions or concerns, however small, about your child.

The Year 3 team
