Dear Parents

Can you believe that we only have 3 weeks left of the Autumn term? Where has the time gone? Over the past few weeks the PTFA have been working tirelessly to prepare for our Christmas Fair tomorrow. Thank you all for your generous donations. The day promises to be full of Christmas fun and magic and we are looking forward to seeing you there. I would like to send my apologies that I won't be at the main event due to a family commitment but I will be in bright and early to help set up!

Much of the next few weeks will be spent preparing for our Christmas performances and you are warmly invited to join us. Each Year group will be writing to you separately to explain how you order tickets to attend.

Children in Reception will be performing 'A Little Bird Told Me' on the 5th December at 2pm. Year 1 and 2 will be entertaining us with 'Lights, Camel, Action' on the 7th December at 2pm. Children in Year 3 and 4 will be wowing audiences with 'Santa's on Strike' on the 12th December at 2pm. The church will be filled with the beautiful voices of Year 5 and 6 as they perform a Christmas Carols Concert to us at 2pm on the 13th December

On Wednesday the 6th and Thursday 7th December our school choir will be singing at 11.45am for St Christopher's Hospice and Mencap at the Glades. They would be delighted if you could stop by to support!

Our last day of term is on Friday 15th December and will finish at the usual times of 3.10pm for Reception children and 3.20pm for the remainder of the school. The day promises to be full of Christmas spirit as we will be enjoying our Christmas dinner and parties. We will also be supporting Save the Children by wearing Christmas Jumpers and Clothing!

If you haven't already taken the time to read the very positive outcomes of our recent parent survey, then please do. They have been sent home via the children with an invitation to attend our first Parent Forum.

Before I sign off I would like to say thank you to 4W for their fabulous Viking assembly! All your hard work certainly kept us entertained! Wishing you all a very good weekend

COMMUNITY

Bikeability

Every year Y6 pupils participate in Bikeability. This excellent course helps to prepare children to ride their bike on the road, but did you know they run similar courses for adults? We would like to congratulate Ms Ahendi (year 2 parent) for participating in a course and getting back onto her bike! If you'd like more information please speak to Ms Smith!
