02-03-18

Well what a week it has been! It is never easy deciding what to do when the weather is so unpredictable and your patience and support has been really appreciated! Despite the difficult start to today and some absent children, 5W managed to perform brilliantly in their class assembly! We learnt some fascinating facts about space and I am sure there will be one or two children thinking about space related careers! Well done 5W for such an excellent start to the day!

On Wednesday the snow did not prevent us from making a visit to the residents at the Peartree Residential Home! Year 4 and 5 school council representatives joined Mrs Palmer and I for the most wonderful mid-morning tea! We were treated to hot chocolates, tea, cakes and biscuits while we chatted with residents about their hobbies, interests and families. We even got to sing 'Happy Birthday' to Inella, who said we had made her day by being there to celebrate! At our next visit we will be helping out with an 'arts and crafts' session.

If this visit is equally as successful we will make this a regular item on our calendar and think about how we can get more children involved! I would like to say a big well done to Mrs Dobson and Mrs Dennison who braved the cold and carried on with their Forest School session this week.

3B remembered to bring in extra warm clothes and had a fantastic afternoon building in the snow!

Wishing you a safe and warm weekend!

Mrs Williams

SAFETY AND WELL BEING

Attendance

This week's winners of 3 ping pong balls for their Golden Jar are 4B with 97.5% attendance. Overall whole school attendance has risen very slightly to 94.3%. Please remember that being here and arriving punctually really makes a difference to your child's education! Early morning sessions are often used to review previous learning and can really support your child with the day ahead.

RW ↑ 95.0%

1W ↑ 95.3%

2W ↓ 94.1%

2B ↑ 95.3%

3B ↓ 94.3%

4B ↑ 97.5%

5B ↓ 87.5%

6B ↑ 92.0%

Parking

Safety is of paramount importance at school. The yellow zig zag lines outside school are there to enable pupils and parents safe access in to school. Using these areas as a drop off zone or parking spot is putting our children at risk.

Are you one of these drivers who regularly endanger the lives of our pupils?

Blue Renault LV05 YCM; Silver BMW 3-Series SA55 HHZ; Vauxhall Silver DE55 WKR; Black Peugeot LV15 KYR; LX15 XTG Fiat 500 red; Black Mercedes YC58 WZZ; Silver Mercedes LY15 GLZ; Black Audi RJ55 ULU; Silver Ford AK05 ZHW;

If you see dangerous parking please report it:

http://www.bromley.gov.uk/info/200072/parking/586/request_parking_enforcement

Together we can make a difference and keep our children safe
