27-04-18

Dear Parents and Carers

Another busy week has passed by at Worsley Bridge! On Tuesday there was great excitement in Year 2 as the children recreated 'The Great Fire of London'. During the spring term 2W and 2B learned all about this huge tragedy through their history and geography lessons. As part of their art and DT work the children created 'Stuart' style houses which were then lined up across the

playground at burnt! The children were able to see the frightening speed of the fire and how in only a few minutes their models were completely destroyed!

Beckenham Fire Brigade were present throughout the event and they reiterated the importance of fire safety. I would like to thank the fire team for coming straight from a call out so they could support us with our work and for the extra time they spent with the children so they all had the opportunity to explore the fire truck and try on some of the kit the men and women wear during an emergency.

On Wednesday a very large delivery arrived for the children in Reception-their new bikes, tricycles and scooters! It was wonderful to see the children's faces as they came to the carpark to collect them. The children are already whizzing them around their learning area and the children have been showing they can take turns really well! You can even see Mrs Zgierska and Miss Martin having a cheeky try!

I have also been incredibly impressed with the writing I have seen in reception this week. Lots of children have been visiting my office to share their work about caterpillars, Nayden managed to write 4 whole pages! Keep up the amazing work RW and RB!

Before I sign off and wish you all a good weekend, I would like to thank 3B for their very entertaining and informative assembly! You have clearly been working very hard and it gave us a great start to our day! I was particularly impressed to hear that you wrote the script yourselves and well done to Olivia for her contributions!

Mrs Williams

COMMUNITY

PLEASE DON'T FORGET LOCAL ELECTION 3rd MAY

This is a further reminder that the school will be used as a Polling Station and therefore we will be closed on **03-05-18**. We are highly aware of the inconvenience this causes and have requested that the council consider other venues-our requests have been turned down. We have also considered trying to keep the school open but it would be too difficult to keep the children safe and we would not have access to the hall and therefore not be able to serve meals.

DATES FOR THE DIARY

27-04-18	PTFA Quiz night	25-06-18	RB class assembly 9.05am
11-05-18	2B Class Assembly 9.05am	26-06-18	Y3/4 singing at St George's Church

22-06-18	Own clothes/donation day	20-07-18	Last day of term
23-06-18	Summer Fair	23-07-18	INSET Day

SAFETY AND WELL BEING

Attendance

Our first week back brought with some excellent attendance records. 3W, 3B and 5B all managed to achieve 100% attendance and can add 5 ping pong balls to their Golden Jars! Whole school attendance is back to a very healthy 96.4%. Well done Worsley Bridge.

Please can I take this opportunity to remind parents to arrive punctually in the morning? The gates need to be shut at 8.55am so children can be registered and dinner requests recorded. Those of you 'sneaking' through at the last minute are making it very difficult for the teachers to take an accurate register and it is vital we know who is in the building for safety reasons such as a fire drill. **Please set that clock for a few minutes earlier!**

RW	↑	96.3%
1W	↑	94.1%
2W	↑	99.3%
3W	↑	100%
