

Dear Parents and Carers

It is always lovely to begin a Friday with a celebration assembly. The teachers and teaching assistants are finding it harder and harder to select just 2 children from each class as they can see that so many children have made great progress since the beginning of the year! **Very well done to all the children listed below for their great achievements!**

Miss Rabbatts kindly emailed this week because a number of girls took part in a cheer leading show and I thought I would share her message with you all:

"I am writing to congratulate the Worsley Bridge Wildcats cheerleading performance on Saturday at the CLA Showcase at the Woodville Halls. They were amazing. The hard work put in by each and every one of them, the teamwork and dedication to have pulled off a routine only put together in a couple of weeks, due to the others pulling out was phenomenal. Their chaperone Danielle also mentioned how well behaved the girls were and what a pleasure it was to take care of them. They

were definitely a credit to the school on Saturday night."

The girls show cased some of their routine today in the assembly as well as the medals and trophies they were awarded. We are extremely proud of you all! I would like to thank Miss Rabbatts for taking the time to write in and would like to encourage other families to do the same if your child has participated in an activity outside of school!

Thank you all for your donations for the school fair tomorrow-it is set to be a fantastic community day and we look forward to seeing you, your family and friends enjoying the day. Gates will open from 12pm until 3pm. If you have any time to spare then help setting up, running a stall or clearing away would be welcomed!

SAFETY AND WELL BEING

Attendance

Our highest attending class was **2W** with **98.3%**-well done you can now add 3 more ping pong balls to your Golden Jar! Whole school attendance has risen slightly and is now at 93.0%. While attendance needs to continue to increase we have seen an improvement in punctuality which is good news. Lateness adds unnecessary stress to a child's day and can usually be fixed by something as simple as getting up 5 minutes earlier!

COMMUNITY

School Uniform Offer

Marks and Spencers have been in contact this week to inform us that they will be offering **20% off their school uniform from 5th June-3rd July**. Additionally they are providing a uniform Shwopping scheme – the M&S clothes recycling initiative. Families can take their old school uniform into local stores and place items in one of the store's Shwop boxes. The old uniform will be resold, reused or recycled, with funding projects around the world helping put an end to poverty. Sparks members can also collect 50 Sparks points when they show their Shwopping at the till.
