## NEWSLETTER

29-06-18

**Dear Parents and Carers**

**Another busy week has flown by but I would like to take you back to Saturday and our wonderful Summer Fair. Many families supported the event and joined us for a thoroughly enjoyable day. I am thrilled to say that the event raised £1995.80 and I would like to thank the PTFA for all their hard work but in particular Sam and Karen (and her daughter) who practically moved in as the event drew closer! Your time and effort provided us with another opportunity to enjoy our Worsley Bridge Community!**

On Tuesday we were incredibly proud of the Year 4 children who participated in the Beckenham festival signing as part of a massed choir in St George's church. For several weeks the children had been perfecting their singing skills with Mrs Maxwell for this very special event. Well done to Mya,

Isobel, Bailey, Laura, Tyler Lily, Katie, Hannah, Elena, Eleanor, Polly, Jaden, Roman and Alba. You were all superb and I know you would like to join me in thanking Miss Letsu for arranging for this event and to Mrs Maxwell for helping you to learn all the songs!

On Wednesday Year 5 made their way to St Olave's School in Orpington to participate in a STEM (Science, Engineering, Technology and Maths) competition day. Throughout the day each team

took part in a range of activities including orienteering where they used a map of their grounds to find and solve hidden maths problems, building and launching rockets and they even carried out some genetics work to try to hatch an egg out of its shell. Noelia said it was one of the best trips she had been on and Elena agreed as she found the activities so intriguing! Veer even thought it was better than playing 'Fortnite' which is high praise in deed! Well done year

5-you came 2<sup>nd</sup> place out of the 6 schools participating on the day!

As the end of term approaches we will begin to prepare the children for the year ahead. On Thursday 19<sup>th</sup> July classes will meet their new teacher. You are warmly invited into school on the same day (from 4pm) to take a look at your child's work, to say your goodbyes to this year's teacher and hello to the new one. End of year reports will also go home on this day. In September two new members of staff will be joining us. A warm Worsley Bridge welcome goes to Mrs Lacey (Miss Fabricant-who some of you will know from the infants) and to Miss Hicks (who has already spent some time here over the past few days). We are really looking forward to them becoming part of our team.

Before I sign off for today I would like to remind you that it is our World Book Character Day on Monday so don't forget to come in dressed up as your favourite book character! It will be a fabulous start to our Author Focus Fortnight.

Wishing you an enjoyable weekend

*Mrs Williams*

## COMMUNITY

### Job Vacancy for Nexus Education Trust

#### Clerk to NEST

Nexus Education Schools Trust is recruiting clerks for NEST and its partner schools. It is estimated the role would support two or three meetings a term per school. Candidates may have capacity to support more than one school. Training and support provided with a termly clerks briefing.
