PRIMARY SCHOOL

NEWSLETTER

13-07-18

What a wonderful day we have had today celebrating everything that is great about reading a good book! The school has been bursting at the seams with the wonderful characters we have been studying. As always we thank you for taking the time to help your children find props and outfits. The parade provided the perfect opportunity to showcase our wonderful school to a wider audience! We will be adding photos to our website so please take a look!

We would like to say a very big thank you to Mr Anthony Salts for organising a brand new set of sports kit for us. You can see Bailey, Thea, Lydia, Rhianna, Maisie and Badru proudly modelling the new track suit, football and rugby/hockey kits! Sport at Worsley Bridge has really progressed well this year and we are really pleased with the choices we offer our children and how we have seen their confidence and fitness levels grow. Next year we hope to enter even more competitions so we can win a trophy or two!

As the term draws to a close I would like to tell

you about some of our staffing changes. On Thursday evening we held a celebration event for Mrs Dobson, who after 28 years of dedicated service to education, has decided to retire from life at school! We would like to thank Mrs Dobson for her commitment to Worsley Bridge and wish her well in her new adventures!

We will also be saying a very fond farewell to Mr Smith who will be departing for a new teaching role in Singapore. We wish him all the best and hope that he will return to us in a year or two so he can see how well PE has progressed in his absence! Miss Crow will also be off to sunnier shores as she returns home to Australia after being in the UK

for 2 years. Our thanks go to Miss Crow and we hope that she will remain in contact so we can discover all about school life in Australia. Lastly we wish Miss Heath the best of luck as she begins her teacher training. We hope that she is equally successful in her new role!

Wishing you all a great weekend.

Mrs Williams
