PRIMARY SCHOOL

NEWSLETTER

14-09-18

This week certainly started with a bang when we received the phone call to say that Ofsted would be joining us for two days! The team of three inspectors arrived bright and early on Tuesday and remained with us until Wednesday evening. During the course of the inspection they visited all classrooms to observe teachers in action. As I am sure you can imagine, this was a very nerve wracking experience but one the teachers and teaching assistants rose to admirably.

Part of the inspection involved spending time with the children and we are exceptionally proud of the way they conducted themselves during the interviews they participated in and we look forward to reading the inspectors comments once the report is published. We anticipate receiving the report in the next two to three weeks and will write to you as soon as it is available, however we can report that we are happy with the outcome and very pleased to finally have it under our belt!

I would like to say a very warm Worsley Bridge welcome to all our new reception families. The children have made a fantastic start to their school careers by settling in so well. They have impressed staff with their confident attitudes and friendly ways and I am already positive they will enjoy their time at school.

We are looking forward to welcoming parents of children in year 6 to find out more about our school journey to Hindleap Warren at 6pm on Monday 17th September. Please also be reminded that we are hosting an Open Morning from 8.55am on Wednesday 19th September. Tea, coffee and pastries will be available in the main hall and 'welcome talks' will commence at 9.15am followed by the opportunity to tour school and visit classrooms. We hope you will join us

Wishing you a very relaxing weekend!

Whole school attendance for the start of the term is 95.5% which is already falling below the national target of 96%. I cannot reiterate enough the importance of good attendance. Attending school every day enables your child to fulfil their potential and prepares them well for life beyond Worsley Bridge. Attendance featured very heavily during our Ofsted inspection and we will be continuing to monitor this very closely. Please be reminded that term time holidays will not be authorised and **will** result in a fine.
