12-10-18

We are at the end of the week yet again! This one started with a fabulous assembly from 6W who told the story of Rose Blanche, a young girl, who grew up in Germany during World War II. This very tragic tale not only demonstrates the devastating effects that war can take on any society it also highlights the terrible persecution of many innocent bystanders. The children tackled these issues very well and left us with plenty to think about. But despite the serious content of the assembly they lifted our spirits by finishing with a war themed song which they sang beautifully.

**Well done 6W.**

After watching the assembly we had a discussion at our staff meeting about how we would mark the 100 year anniversary of the end of

World War 1 and we have decided to create a river of poppies on the front lawn. We would like to ask for your help with this task. Please

can you send your child into school with the **bottom** of a large plastic bottle (please do not send in the whole thing as we are not in the position to recycle the unused section). Ideally the bottle should have curves like the ones in this picture. We are going to paint the bottles in school so the end of the bottle will be all we need.

There has been lots of excitement outside my office this week as we have seen the completion of a new display board that recognises the high standards of presentation some children achieve in their work. It was lovely to hear the children and staff members talking about the work on display and the beautiful handwriting being show

cased. We will be introducing a new set of awards to encourage children to take pride in their work and I am looking forward to awarding in our next celebration assembly.

Thank you all very much for your kind donations for our harvest collection. Bromley Foodbank will be thrilled.

We will be delivering the goods next week so if you would like to donate it's not too late. Lastly, before I sign off don't forget that Monday is non-uniform day in support of the NSPCC. Please don't forget your £1 donation!

Wishing you all a very relaxing weekend.

**Mrs Williams**

## SCHOOL NOTICES

### PTFA-Christmas Fair

It's that time of year when the PTFA begin to prepare for our Christmas Fair. This really is a wonderful family event and a highlight to our year. If you can spare some time, even a one off session, we would be very grateful for any support you can offer. Please contact Sam via the PTFA Facebook page or leave a message with the school office. In the meantime we will be asking for donations for the Elf Shelf so please have a look through your cupboards for any unwanted gifts. We will also be collecting Jolly Jars and bottles-look out for the flier with more details after half term.

### Chicken Pox

Please be aware that we have had an increasing number of cases of chickenpox in school. The link below provides clear guidance on spotting the symptoms. If you discover your child has chickenpox please keep them off school until the scabs have crusted over.

## COMMUNITY MATTERS

### Peartree Residential Home

On Thursday afternoon I will be taking the school council to visit the residents at the Peartree Residential home in Sydenham. This will be our third visit to the home and one we are looking forward to very much. The residents really enjoy our visits and the events manager Marva is very keen for them to continue. If you would like to accompany us on the visit please speak to Mrs Knox in the office as your support on the bus journey to/from the venue would be very welcomed. You too can see first-hand the joy your children bring to the lives of those living at the home.
