You should all be very pleased at of how well you have started the new year.

We were also very proud to give out our first set of star badges today. Special mention needs to go to the super stars in reception who have already achieved their first red badge. Well done to Iris, William I, Melisa, Tahlia, Clara, Maison, Joshua, Harriet, Ashlee and Nura. What a great start to your time here at Worsley Bridge.

We have also been celebrating the successes and achievements of our children outside of the school curriculum. Well done to Katie in year 5 who has been selected for the Bromley Youth Choir. After a nerve-racking audition she was selected to join them. We look forward to hearing you perform for us in singing assemblies. Nura in reception and Millie in year 4 have been showing us their swimming certificates. Well done ladies on starting the journey to becoming confident swimmers. Future Rebecca Adlingtons in the making!

COMMUNITY MATTERS

REMINDER Safer Cycling and Scooting

So we can avoid collisions around the gate please can scooter riders and cyclists remember to dismount before entering school and wait until they are beyond the gate before riding on their vehicles. Please can we remind younger siblings to do the same so we can keep everyone safe? Thank you

Internet Safety Day

On the 7th February Worsley Bridge will be holding an internet safety day where the children from year 1 – 6 will be having a workshop delivered by an e-safety expert. The children will learn about how to stay safe online and how to use apps safely and securely.

There will also be a **parent workshop** starting at **6pm and finishing at 7pm**. All parents are welcome to attend and feedback from previous year has always been positive. In a fast technical world, it is very important that parents are aware of some of the dangers that their children may come across. This workshop will deliver an incredibly important, powerful message and help you to keep your children safe as they grow up in a digital world.

Parking on the yellow Zig Zags

Despite numerous reminders and warning, people are still parking on the yellow zip zag lines outside of the school gates. This is dangerous for the children at school and prevents the road from being a safe and easy place for the children to cross. It is also blocking the road and is very inconsiderate. Please park away from the zig zag lines and even for drop offs, do not stop on them. Parking enforcement officers may be making spot checks in the near future.
