4W kicked off our week with a fabulous assembly about Varjak Paw- a cat born into a family of Mesopotamian Blue cats. We learnt that Varjak was different from his siblings and how he persevered to learn the ways of Jalal in order to keep his family safe! Well done 4W-you are clearly enjoying this book and producing some amazing work!

Over the course of the week each class has worked with the Dental Health team to 'polish' up their teeth cleaning skills. Not only did the children learn about how to keep their teeth sparkly clean they were given advice on what to eat to ensure their bright smiles last a life time. The coffee morning for parents will now be on Thursday 31st January at 9am. Please join us if you can as the team really were excellent!

On Wednesday Mr Gwilliam took some children from year 3 and 4 to our first ever Kurling competition. Suhaab, Kelsey, Isla,

Wisdom and Ethen played at Cooper's school in Chislehurst using specially adapted Kurling stones. The team performed really well they played 4 matches, they won 2 and drew 1!

Miss Wilkin has been busy 'tweeting' this week to keep you up to date with the latest events at Worsley Bridge, however we think

some parents are following the old account. Please check your twitter accounts and follow us @worsley_bridge **NOT** @worsleybridge.

Wishing you all a safe and happy weekend.

Mrs Williams

Local News

It has been reported that there have been a spate of burglaries in Copers Cope Road. Criminals are targeting houses during school drop off times. You may also be aware of the recent attack in the early hours on Wednesday morning. Please take care when you are and about and consider what else you can do to protect your homes in your absence.
