On Monday 1B impressed us with their fabulous assembly all about the rainforest. The children retold the story of The Great Kapok Tree which taught us the importance of the rainforest. The children finished the assembly with an energetic performance of the jungle boogie-which we all loved! Well done 1B.

If you are out and about in Bromley on Saturday please take the time to go and see our planter. As part of Bromley in Bloom, run by Coolings Garden Centre, schools across Bromley have been invited to create a planter (this replaces the wheelbarrow competition) and

these will be on display outside H and

M from Saturday until the 5th July! I think you will agree that year 3 have created a wonderful piece of work linking in with their work on Ancient Greece! Please take a look and make your vote. Winners receive vouchers for gardening equipment!

On Tuesday Year 2 pupils performed as part of a concert at St George's Church. The children have learnt a vast array of songs over the past few weeks and they were an absolute credit to the school. The staff that attended all commented on their

exceptional manners and impeccable behaviour-especially compared to the other schools in attendance! Well done to all of you who were able to represent Worsley Bridge at this wonderful event.

Ms Smith and our JTAs had a very successful day on Wednesday and I have included Dontaye and Talula's report for you all to enjoy:

Along with 5 other schools in the Borough of Bromley, we were very excited to have won a Golden Ticket to attend the JTA Top Team Event. This Year it partnered with Stagecoach and we had a private chartered double decker bus which took us along with Ms Smith to the Biggin Hill Memorial Museum, where we participated in a workshop and learnt about various job roles that took place at the airport during World War II. We then received our awards and were thrilled to come runner up and were presented with certificates, medals, a trophy and some money to buy a treat with in the museum shop. On the way back we had a surprise stop at the bus garage where we took the bus through the bus wash!

Dontaye and Talulla

Congratulations-we are very proud of you and all the work you have undertaken this year!

Wishing you a good weekend
