The school buzzed with excitement today as the big top arrived on site! It was fascinating to watch the tent go up over the course of the morning and the children in years 4, 5 and 6 were treated to a sneaky preview this afternoon. The circus team will be returning later in the month to work with the other year groups! Thanks go to the PTFA for organising this fantastic event.

Children in year 5 visited the Old Operating Theatre at London Bridge this week to support their studies of Victorian England. This is the first time we have visited this museum and the children had a fantastic morning learning about Victorian medicines. Paige and Kian particularly enjoyed it when the doctor pretended to chop off Ethen's leg! They said the blood looked really effective!

Year 2 also enjoyed a trip out this week to the Cutty Sark! The teachers, TAs and helpers were very impressed at how the children managed the journey to Greenwich as well as their impeccable behaviour throughout the day.

Educational visits are so important to us at WB because they provide the children with the opportunity to experience the things they are learning about first hand. Using the trains or buses helps them to develop independence for later in life and of course being out and about with your friends is always great fun-and school should be fun!

We look forward to seeing you this afternoon at the circus!

CELEBRATION CERTIFICATES

This morning we celebrated with class teachers who awarded certificates to members of their class. It was lovely to hear about successful scientists, marvellous mathematicians and wonderful writers. We also had the opportunity to look at more wonderful examples of homework. We have been so impressed with the quality that we have decided to display examples in the main entrance and in galleries around school!

SAFETY AND WELL BEING

Attendance

This week whole school attendance sits at 94.8%. **Please can we remember the school gate closes at 8.55am?** Please set those alarms 5 minutes earlier to ensure children are on time for the register as this not only informs us who is in school but it tells us the lunch requirements for the day. The class with the highest attendance is 4W with 99.3% and they will be able to add 3 ping pong balls to their Golden Jar.

COMMUNITY

PARKING

Unfortunately parents are parking in Moliner Court which is a private residence. Naturally the residents are upset because access/exits to their property is being restricted because of the poor choices some families are making. They have begun tracking the cars and will be taking the matter further if it does not stop. Regular offenders include: **White Clio HK 14 ZZT, Red Toyota GU 58 HAE, Silver (Vauxhall?) FL 07 YBC, Silver Peugeot LY 55 PZT, Green Toyota GV 53 FFE**
