

WORSLEY BRIDGE

PRIMARY SCHOOL

NEWSLETTER

20-11-20

Well another week has whizzed by-can you believe there are only 4 to go until we break up for the Christmas holidays? The children are really making the most of their time in school by working hard and enjoying time with their friends at break and lunch.

Take a look at Ollie and Tony's literacy work. They both created news reports linked to the book they are studying in English. Their work really captured the tone of a professional news reporter!

Children in year 1 are working

on a project on toys and they received a letter from the toy maker suggesting that they should create a wooden teddy bear. I was very impressed at Kieran's response and the way he argued against this idea. Kieran used his sounds really well to write a letter back to the toy maker explaining why he thought it was a bad idea!

One of my favourite parts of the day is when children pop in to see me as they are going outside after lunch. It is lovely to hear about their morning and what they will be doing outside.

On my office table we have a weekly jigsaw puzzle which some children like to help complete it (in their bubbles of course). The resilience and determination they show when they are looking for particular pieces is just great! Abdi was particularly pleased with his efforts as he managed to complete this puzzle! We have decided to 'up' the level of challenge next week by tackling a 1000 piece puzzle. Why don't you give it a go at home? It certainly keeps us busy and our minds active.

This week I have attended a couple of virtual Headteacher meetings and discovered that many schools have seen a spike in positive tests for covid. We continue to work hard to keep children safe by working, eating and playing in their bubbles. Staff remain in their bubbles and are socially distancing from those outside of their year group. We sincerely hope that we continue to remain open and ask that you all do your bit outside of school by following the government's guidance. Although we know it is tough, please avoid play dates and socialising with others so that the children and staff can have the Christmas break we are all hoping for. Don't forget the staggered day is to ease congestion so please be on time, leave quickly and avoid chatting in groups.

Wishing you all a good weekend.

Mrs Williams
