PRIMARY SCHOOL

NEWSLETTER

06-11-20

We hope that you enjoyed the half term; I know that the staff have really felt the benefits of a 2-week break and are ready for the weeks ahead. The children have certainly returned with renewed energy and enthusiasm and already working hard, just take a look at Ethan's Boateng style artwork in year 1 to see what I mean. We would like to thank you all for your continued support, we know it isn't easy at the moment but the fact that the children are in school means an awful lot to us. In fact, our attendance has been impressively high and currently sits at 97% for this week. This is fantastic-long may it last!

As we continue to battle against the virus there are a number of things you can do to help us in school:

- Arrive/collect your child at the designated time. Please be prompt, leave the grounds quickly and avoid arriving early whenever possible
- Put your child in layers-we have to keep the windows and doors open to improve ventilation
- Ensure your child has a change of footwear/wellies in school so we can continue to use the field at lunch time
- Ensure you abide by the lock down rules-no playdates, clubs or outings (unless for exercise) for the next month please. Contact with others must be restricted to your support bubble only.

Please be reminded that if children repeatedly arrive/are collected late we will refer the case to our Educational Welfare Officer for intervention and support.

Our poppy appeal collections are going very well and we will continue to sell them right up until Remembrance Day on Wednesday. Thank you for supporting this worthy cause. The PTFA would like to extend their thanks for all your contributions to Rainbow day-we raised a fantastic £294. This money is likely to go towards some new artwork for the main hall.

Congratulations go to Lily, Lily, Sylvanna and Ethen in year 6 as they have achieved VIP status! We are so proud of you and the fantastic contribution you make to life at Worsley Bridge.

As we head closer to winter we know that children may need to take medication. School can only medicate children if medication is prescribed four times a day and we receive a completed medical form. This is available on our website or from Mrs Knox or Mrs McEwen in our school office.

Just before I sign off I do need to ask parents to avoid parking over the drives and in the car parks of our neighbours. We are receiving an increasing number of complaints at a time that is already very challenging. Enjoy your weekend and stay safe.
