Dear Parents/Carers

This morning started with a fabulous assembly hosted by the children in RP! The children performed the story of the Hungry Caterpillar, shared amazing pieces of art work and even sung us some songs-it was everything a great assembly should be-well done RP. Conor, in year 2 said he loved the assembly as he thought he was just like the Hungry Caterpillar because he likes to eat lots of yummy food too!

Pupil happiness and well-being is our number one priority at Worsley Bridge and we have a wonderful team who work hard to meet the pastoral needs of all our children. Mrs Smith, our Family Worker can be found out and about on the playground every morning making sure that everybody has arrived in school. Once she leaves the school gate, she checks which children are absent from school and calls home if we haven't heard from you to be sure all our children are safe!

Mrs Lisi and Mrs Zelaya work as our Learning Mentors and children throughout the school really enjoy working with them. Sometimes they are there because a pupil needs a friendly chat or it might be they have fallen out with a friend and are not sure what to do! Mrs Lisi and Mrs Zelaya are there to listen and ensure that their worries do not get in the way of learning!

At lunch time we have a large team of mid-day meals supervisors overseeing the children while they play and eat. Our playground is zoned so all our pupils have equal access to the fantastic equipment and the play areas we are lucky enough to have. Mr Morris, our new TA, runs a football session every day and you will find a member of the leadership team in Rainbow Room which offers the children the chance to come in to play board games, build, read, stack cups or draw!

Ms. Purdy and Mrs Rose can also be found out and about at lunchtime in their role as 'Listening Ear' for those times when things don't quite go to plan with their friends and they need some help to sort things out!

Enjoy the long weekend and we look forward to seeing you all on Tuesday!

Mrs Williams

INTERNET SAFETY

How many of us rely on our phones and iPads to help us to survive the day? I know I do!

Many children in school have daily access to the internet via gaming devices, tablets or even their own phones and chat rooms feature highly!

Please can I remind parents to be vigilant when letting your children access these devices by finding the time to check what they are playing on and by reading through some of the chats they are having. In school we are regularly encountering children who have been upset by comments made in chatrooms, despite the fact that guidance recommends them for children aged 13 and over.

We will be arranging another internet safety day very soon, but in the meantime the website www.ceop.police.uk provides a wealth of very 'parent friendly' guidance on how to keep your children as safe as possible. You can also report internet offences via this site.
