Dear Parents/Carers

Fridays is here again and this week we have the opportunity to celebrate with the teachers and pupils in KS1. Congratulations go to:

RW- Nyeelah and Poppy RB- Zoe and Rayaan RP- Whole Class and Sonnie 1W- Kian and Vivienne 1B- Jaiden and Chloe 2W- Gabriella and Aimee 2B- Lea and Robert

The children may have already mentioned to you that we are now displaying photographs of the children receiving their certificates. As the photos are changed every 2 weeks, we will be placing the ones we take down into a special celebration book to put in the school office to remind us of all the children who have received a certificate!

During Monday's whole school assembly we discussed some of our interests outside school. The children were able to quickly identify many of the skills they learn through their hobbies and how we can apply them in school and vice versa. Chayce in year 4 shared some of his sporting trophies and explained the level of commitment needed to achieve the success he has had at his sport. It was also really fascinating to watch Lucy (also year 4) have the waves in her brain measured. Even something as simple as raising an eye brow created quite a stir on the screen. It left us all wondering how hard our brains work when we play a game of football or swim a length in a pool!

Our hobbies and interests help us in so many ways by giving us the opportunity to learn new skills or apply them in different settings, meet new friends and by challenging us. Do you or your child have an interesting hobby or have you recently overcome a hurdle or met a target? We would love to hear from you so we can learn more about our school community! Email the school office or drop us a note!

Before I sign off this week, I would like to wish the choir the best of luck for their performance in the Fairfield Halls. I am looking forward to seeing Worsley Bridge on stage for the very first time at this event!

Have a lovely weekend!

Mrs Williams

JUST TO REMIND YOU THERE IS SCHOOL NEXT FRIDAY 12TH FEBRUARY IT IS NOT AN INSET DAY

DATES FOR THE DIARY

COMMUNITY NEWS

PTFA Annual General Meeting

AGM - It's our AGM after school on Monday where we're looking for some new faces to head the PTFA. We're sure every single parent is keen for a PTFA to exist (in some form) at WB - so please make every effort to attend this meeting, where we'll cover the funds raised and future plans.

There are several folk tentatively considering taking on a role - if you all come we can look at 'job shares'; co and vice roles we would be happy to discuss them at the meeting. Other successes would be for people

Newsletter

to volunteer to organise a one-off event - perhaps you don't want a committee role, but could take on an Easter Raffle or Egg Hunt, or would like to plan a summer disco for the kids? We urge EVERYONE to come, no matter how small your contribution might be. The meeting will be a success if everyone leaves having taken on a little and no one feels like they've taken on too much.

VALENTINE'S DAY CAKE SALE AND SECOND HAND UNIFORM SHOP - HELP NEEDED

We are looking for some parents to help out with the cake sale on the last day before half term. We'll need you from about 2.30pm onward to set up. If you could help man either of these directly after school, please could you contact the PTFA by the usual channels: worsleybridgeptfa@hotmail.co.uk; Facebook: Worsley Bridge Primary School Parents; or find us in the playground!

JTAs

Stefan and Kamaria attended the JTA (Junior Travel Ambassador) Mid-Year Meeting. They were very brave and got up on stage to present a Power Point to numerous schools in Bromley informing them of what Worsley Bridge Primary have been doing to promote road safety so far this year, and our plans for the future including a 'Beep Beep Day' and to design a road safety cone.

We are hoping to do as well as we have done in the past few years and finish in to the top 6 Bromley schools which will lead to an invite to the London Transport Museum. I was extremely proud of the way the children presented their work and I could see all the other schools busily taking note of all our wonderful work! You can view the presentation on our website.
