**This morning started with a fabulous assembly from 2W! Everyone left the school hall with happy buckets! The children taught us that we can help to make others feel good by telling them something nice and that these nice thoughts go into our own buckets! I know I left the hall with a very full bucket having heard all the compliments the children paid each other! Why don't you try placing something into someone else's bucket and see how good it makes you feel!**

It has been a great week for year 2 as they visited the Islamic centre in Lewisham to find out more about the Five Pillars Of Islam. The children, teachers, TAs and parents thoroughly enjoyed the visit because they discovered so many interesting facts from the Imam. Malik enjoyed meeting the Imam because he taught him things he didn't know and seemed very kind.

During the visit Abdirahman made everyone feel incredibly proud as he read aloud an extract from the Qur'an. If you would like to listen to him then visit our website as we recorded Abdirahman in action!

Gabriel told Miss Mattu, "I liked learning about the prayers because they go to a mosque." Gracie-May found the trip very valuable because she learnt more about Islam and thought this would help her work in RE! Staff members were equally impressed and particularly enjoyed hearing about the way the Islamic centre collaborated with the many other church organisations across the Lewisham borough!

As a school we regularly look at our core British Values: Democracy, Rule of Law, Individual Liberty and mutual respect for and tolerance of those with different faiths and beliefs and for those without faith. Year 2's visit will certainly help them to have a greater understanding of the Islamic faith and I look forward to reading the work they produce as a result of such a worthwhile trip!

## COMMUNITY

### PTFA

At Worsley Bridge we have a fantastic PTFA! Since I have been at Worsley Bridge they have organised so many wonderful events including fairs, quizzes, discos and cake sales! As a result of all their hard work we have been able to open a fantastic outdoor classroom, purchase exciting games and toys for the playground and rainbow room and host a pantomime. This is a just a taster of the lovely 'extras' our pupils have benefitted from.

On the 26<sup>th</sup> January we will be holding our AGM and will be discussing plans for the year ahead. We are looking for new members to take on key roles as well as those who just want to come and help. Please join us at this meeting, not only do the pupils benefit from your commitment but you will too! It's a wonderful way to make new friends and become more involved in life at school.
