Last Friday the PTFA gathered for their AGM and it was wonderful to welcome so many new members to the team! I am delighted to tell you that Samantha Lawson has agreed to remain as the Chair Person and that Karen Clarke will take on the role of Treasurer. Sarah Annoh will be this year's secretary.

During the meeting we shared the accounts for 2016-17 and an amazing £9800 has been raised. We are

planning to put the money towards new stage lighting in the hall and a climbing frame that can be used in our gymnastics lessons. I would like to thank everyone who has worked so tirelessly and willingly to make this happen! You really do make a big difference to the extras we can give to our pupils! There are some great plans in the making so please keep a close eye on the Facebook page and diary dates so that you don't miss out! We are already looking forward to next Friday's cake sale and non-uniform day!

I had the privilege of taking Elena, Thea, Alex, Jack, Noelia, Amelia, Elif and Maisie to a mini hockey tournament at Langley Girls School on Tuesday. Twenty Eight teams from across the borough competed throughout the day. The standard of hockey was excellent and our team played really well. Despite not qualifying for the next round they remained positive and resilient throughout! I was exceptionally proud and I know the adults that supported us were too!

On Wednesday a number of parents joined me for our second parent forum. I found the meeting incredibly supportive as we were able to talk through ideas that will benefit the whole school community. Alison Davies joined our meeting to share news about the road safety campaign she is part of: 'Safer to school, safer for all'. She will be on the playground after school on Friday 9th February to hear your concerns around road safety and she is keen to ask you to pose for some pictures to support the campaign! Please help if you can so that we can start making a difference to roads that directly affect the safety of our children.

Enjoy your weekend!

COMMUNITY

A FURTHER REMINDER: LOCAL ELECTION

This is an advanced warning that the school will be used as a Polling Station and therefore we will be closed on **03-05-18**. We are highly aware of the inconvenience this causes and have requested that the council consider other venues-our requests have been turned down. We have also considered trying to keep the school open but it would be too difficult to keep the children safe and we would not have access to the hall and therefore not be able to serve meals.
