26-03-18

What a fantastic morning we have had raising money for Sport Relief on Friday! It was wonderful to see so many children arriving in their silly sportswear and I think you will agree that the staff made a fantastic effort too! So far we have clocked up 453 miles which leaves the remaining few miles for Year 6 and 3B to complete this afternoon! Please take some time this week to look at our website where you will see pictures of the morning! We will announce the total as soon as we can!

While we are on the subject of running I hope you will all join me in congratulating Mrs Palmer for completing the London Landmarks Half Marathon! On Sunday she raced round the streets of London to raise money for the charity Mind. Well done Mrs Palmer, what an incredible achievement! I am sure she would be very happy should any of you wish to make a donation!

This week Mrs Paun took 3 children into London to compete in the Maths Count on Us challenge run by the Mayor of London. The children were incredible and we have been told they have finished in the top 5! Well done to Elena, Veer and Noelia let's hope we make it through to the next round!

It has been a busy week for Mrs Paun as she has been sitting some tests of her own. We would like to congratulate her on her British Citizenship Award! Having successfully passed a language and civilisation test she is now officially a British Citizen!

DATES FOR THE DIARY

27-03-18	3.30pm KS1 SATS talk-Y2 parents	28-03-18	Y3 Visit Down House

SAFETY AND WELL BEING

Attendance

Congratulations go to 3B who managed 100% attendance last week, the first in quite some time! Make sure you add your five ping pong balls to your Golden Jar. Overall whole school attendance has dropped slightly to 95.1%-let's hope we get it back up next week!
