Dear Parents and Carers

At the start of this week I wondered how we would regain our focus for learning after such a warm, sunny and relaxing weekend but I have to say the children (and staff) have worked very hard all week and there have been plenty of visitors to my office sharing their great work! Melina wrote a particularly engaging piece of writing linked to her Tudor topic work!

The sunny weather has allowed us to put the field back into action! Worsley Bridge children really enjoy their lunch times and they make very good use of all the choices available to them. This summer the astro turf will become an area where children can practise their handstands (please can children

in dresses wear shorts underneath) and dance routines. The field will be divided up into several smaller pitches where Mrs Foley, Mrs Barratt and the sports coaches will oversee team games such as handball and football. It has been wonderful to see

the outdoor classroom being used as a drawing and colouring station. The play station (our name for the climbing frame) has remained as popular as ever and of course the playground will

also remain open for games such as basketball and access the activity trolley!

Today tennis coaches from Park Langley joined KS1 to deliver a morning of tennis lessons. The children engaged fully by listening carefully and trying their hardest to complete the drills! I am sure we will soon be discovering the next Andy Murray!

This morning 2B treated us to a wonderful assembly all about the seaside! As in all great assemblies there was lots of laughter, great acting and wonderful singing! Well done 2B, I now can't wait for my next visit to the beach!

Wishing you all a lovely weekend.

This week half of the school managed to improve their attendance and half of the school's decreased! Let's see if we can boost all classes next week. Our highest attending class is **3B** with **99.5%**-well done you can now add 3 more ping pong balls to your Golden Jar! Whole school attendance has fallen to 95.4%.
