Dear Parents and Carers

At our last parent's evening over 200 families responded to our questionnaire to tell us how they thought we are doing! These surveys are very valuable to us because they help us to identify our strengths but more importantly any areas that are of concern to you. I am delighted to publish the results below and would like to thank you for your continued support!

1. **99.6%** agree/strongly agree their child feels safe at this school
2. **98%** agree/strongly agree their child is making good progress at this school
3. **99%** agree/strongly agree this school meets my child's particular needs
4. **99%** agree/strongly agree this school ensures my child is well looked after
5. **100%** agree/strongly agreed their child is taught well at this school
6. **99.6%** agree/strongly agreed this school helps my child to develop skills in communication, reading, writing and mathematics
7. **98%** agree/strongly agree there is a good standard of behaviour in this school
8. **93%** agree/strongly agree their child's lessons are not disrupted by bad behaviour
9. **95%** agree/strongly agree this school deals with any cases of bullying effectively
10. **99%** agree/strongly agree this school helps them to support their child's learning
11. **96%** agree/strongly agree this school responds well to their concerns
12. **98%** agree/strongly agree this school keeps them well informed.
13. **99%** agree/strongly agree they would recommend this school to another parent

As you can see some parents feel learning can be disrupted by poor behaviour so we have reviewed our Positive Behaviour Policy. Over the next half term any child receiving a yellow card will be required to join myself or Mrs Palmer at yellow card club (Monday break time) to reflect on the impact of their behaviour choices. Should we see that this is having a positive impact in the classroom we will amend our policy accordingly.

As the bank holiday approaches many of us will be tackling DIY projects or having a sort out! If you discover any old wellies please pass them onto Mrs Swain who will put them to good use at gardening club! Wishing you a good weekend!

COMMUNITY

PTFA

A huge thank you must go to the PTFA for organising the quiz night last Friday. The event was well attended and much fun was had by all as teams pitted their wits against each to be crowned Worsley's Wisest! Thanks must also go to Sapore Vero for supplying the pizza at a discounted rate!

The children, staff and I are always very grateful for the money raised by events such as these because it allows us to buy the 'treats' that our school budget doesn't quite stretch to. I am sure

the children have told you that we have had a new gymnastics climbing frame installed in the main hall thanks to last year's efforts. We are currently gaining quotes for a replacement lighting rig to use during the many wonderful performances we hold.

Over the course of the year ahead we would like to raise money towards new dining room tables. We have recently had the opportunity to trial some circular tables and the children have really noticed how they are more inclusive and sociable!

We are really looking forward to the summer fair on the 23rd June and it's not too late to offer your support. Perhaps you have a few hours spare to help with the organising or you are free on the day to assist with set up or the running of a stall? No matter how little or how much time you can give it all makes a difference! As always children will be able to choose their own clothes the day before in exchange for a bottle or £2. Please contact Sam Reed if you can help!

Families Together

Our fun after-school activity for younger children with their parents & carers will be on **Thursday 10th May at 3.45 pm** with a story from the Bible about Noah and the **COLOURS** of the rainbow and games, crafts and a shared meal together finishing at 6pm

Cost **£2.50** per child
