21-09-18

Another busy week has flown by at Worsley Bridge! 5W had the very challenging task of being the first class to showcase their learning in assembly but despite having very little time to rehearse they put on a fantastic performance! We were all very impressed by how much they had learnt about Victorian Britain in such a short space of time. Well done 5W.

On Wednesday it was lovely to welcome so many families into school for our first open morning of the year. At the session we looked at some key aspects of school life and discussed how policies such as behaviour are put into

action in the classroom. Families then had the opportunity to look round school and go into classrooms. The feedback we received was very positive so we shall look at setting a date for another one later in the year.

As the term progresses we will be providing school tours for prospective parents looking for places in reception for the academic year 2019-2020. To help promote school we will be hosting a stall at the Market on the Green (opposite Marks and Spencer) on Saturday. We will be there between 10am and 3pm and would love it if you could pop by to say hello or even help by talking to families about life at Worsley Bridge.

Wishing you all a very enjoyable weekend.

SAFETY AND WELL BEING

Attendance

Congratulations go to 2B and 4B for being this week's highest attending classes. Next week we shall be meeting with the school council to discuss how we can promote and reward good attendance. We shall let you know the children's ideas in next week's newsletter. We are pleased to announce that overall attendance has improved and is now 96.6%. Well done. Keep it up.

SCHOOL NOTICES

Competition Time

On Friday we celebrated our latest challenge champions. Well done to Scarlet, Chloe, Maansi, Sylvanna, Hunee, Elena, Hasanatou, Veer, Badru, Brodie, Wilf and Noelia, who have taken on the challenge of writing a scary MONSTER POEM. Their poems will be published soon and celebrated in assembly and on our Challenge Champion display.

A new writing challenge (**Poetry Wonderland**) has been announced and any child in KS2 who has a crazy idea is cordially invited to write a poem about it and give it back to Mrs Paun. Remember the deadline: **Friday, 12th October 2018** and keep checking the Challenge Champion display for your next challenge.

Do you like poems? Then, this is the challenge for you! In **Poetry Wonderland** anything is possible! Where will your imagination take you...?

Task: Write down a few crazy ideas. How many words can you think of to do with your idea? Imagine if your wacky idea came to life. Where would you be? Can you describe what you can see, hear, smell etc? **Write a poem** that showcases your imagination as well as technical writing ability. When you are happy with the way the poem looks and sounds like, write it up neatly or simply type it up and bring it back to Mrs Paun (5B) by **Friday, 12th October 2018**.

Have a look at this website for suggestions on how/what to write (poems can be written or typed on any theme and in any poetic style). Don't forget to watch the video and check the tips they give you.

Good luck and remember: your poem could be published!

Lunchtime

Please can we remind you to label lunch boxes? There are a number of children who have the same as someone else. In addition can you please provide your child with shorts to wear under their skirts if they wish to take part in gymnastic activities on the astro?

Medication

Mrs Knox sent out an email this week requesting that parents and carers of children requiring medication keep us informed of any changes that have taken place over the holiday. Any medication needing to be administered in school must come in the original box with the prescribed dosage. Please ensure that all medication is in date and that you collect and dispose of any that has expired.

COMMUNITY MATTERS

Parking

Unfortunately we have received further complaints from our neighbours regarding parking. I ask you all once again to avoid parking across driveways and in front of gates as it is preventing people from accessing/leaving their homes. In addition the driver of the vehicle KT17 AOJ left one member of our school community very distressed as they nearly ran them over. Is this kind of behaviour really necessary or the image we want to portray about our school?

Final reminder-bake off/outdoor cinema

The PTFA have made a fantastic start to the term. The Outdoor Cinema is booked for the 28th September. Tickets will be sold on the night and gates will open from 6.30pm. Lets hope the summer sunshine holds!

You are also invited to enter the first ever Worsley Bridge Bake Off! This will take place in the morning of the 28th

September. Participants will pay £3 to enter, cakes will then be judged and sold to raise money MacMillian Cancer research.
