09-11-18

On Monday 6B provided us with a wonderful start to the week as they took us back in time to World War 2. The assembly gave us plenty to think about and certainly made us feel lucky to be in a country that is free from war. The assembly ended with a heart-felt song that the children had written themselves about the end of World War 1. Well done 6B-it was the perfect way to commemorate the 100 year anniversary.

Year 6 put their assembly outfits to good use on their WW2 experience day at Splattermaker. The children learnt to cook on a rationed allowance and made some very tasty looking carrot cakes as well as going through the process of evacuation. Year 3 were also out and about this week at the Horniman museum where they spent the day

increasing their knowledge of the Stone Age!

Our school council held a very important meeting with Marina Ahmad (labour councillor for Crystal Palace ward) to discuss our road safety concerns. Marina, accompanied by a colleague Marie Bardsley, listened to the children's worries and anxieties about the traffic problems and parking issues around our school. Marina provided us with some really helpful advice on what we can do to make the changes we would like and we will be acting on this in the coming weeks. I was extremely proud of the way the children contributed to this meeting and I know Marina is looking forward to supporting the children with their campaign.

This morning the whole school observed 2 minutes of silence in front of the poppies we have created to mark the 100 year anniversary of the end of WW1. The maturity and respect the children showed for this occasion was very impressive and it was a fitting tribute to all those who have lost their lives to war.

Wishing you all a restful weekend.

### Competition Time

Are you a big Halloween fan?

Do you like making others scream in horror?

Then, this is the challenge for you!

**Task:** Write a 100 word mini-saga (with a beginning, middle and end). Use your writing powers to create *spine-tingling tales* that use *atmosphere* and *suspense*. Think about things that go bump in the night or Halloween pranks and you will love taking part in Spooky Sagas.

Trust me, it's going to be a scream!

Remember to return your mini-saga to Mrs Paun (5B) by **Wednesday, 12<sup>th</sup> December 2018**. Have a look at this website for suggestions on how/what to write. Don't forget to watch the video and check the tips they give you.

**Good luck and remember: your mini-saga could be published!**

## COMMUNITY MATTERS

### Road Closures

The annual **Remembrance Day Parade** will close the High Street to traffic for a few hours on **Sunday 11 November**. While the Police do make efforts to publicise the closures and TfL are obviously made aware, there are always big road traffic problems as **vehicles are unable to get anywhere near the High Street** for a couple of hours. The Parade begins around **10am**, so road closures will go in just before this, and roads remain closed probably up **until midday-ish**.

The closures cover the following roads:

- Albemarle Road
- St. Georges Road
- High Street
- Church Avenue
- The Drive
- The Crescent
- Rectory Road

There will be no access to the War Memorial roundabout whatsoever, or the ends of the roads leading into it, ie Beckenham Road & Croydon Road.
