What a wonderful week it has been at school this week! Monday began with a trip to the British Film Institute where children in year 5 participated in a film festival. Over the course of this term the children have been working with Jack from HeyDay to produce two films. The children selected the film 'William the Conqueror' to show the other schools. Miss Letsu, Mrs Lisi and Mrs Rose accompanied the children and they said our film was wonderful and definitely the best one they watched!

On Tuesday the panto came to school and a great time was had by all!

Thank you very much to the PTFA for this gift! It certainly helped to get us in the mood for Christmas. On Wednesday Reception children amazed us with their fantastic performance of 'Busy Busy Bethlehem'. The children were so confident on stage, they remembered their lines and delivered

them very clearly. The acting was incredible as was the singing! You have set the standard very high Reception- we are very proud of you.

Yesterday the choir visited the Sloane Residential home to entertain the residents. Their audience were suitably impressed and thoroughly enjoyed their visit. A huge well done must go to the choir because their performance at the Glades last week help to raise over £1000 for Mencap. Truly wonderful everyone!

After all this excitement we finished the week with a truly wonderful show from year 1 and 2. Their performance of 'The Innspectors' marvelled our audience, made us laugh and certainly put us all in a great mood for the weekend.

Productions such as these take a lot of organising and I would like to thank the teachers and teaching assistants for putting together such wonderful shows. They provide memories that will last a life time! **Don't forget that we have asked that younger siblings remain at home.** The hall is very busy, space is limited and young children find sitting still very difficult as the shows last around an hour. It can be very upsetting and distracting for our performers on stage if someone is crying. We know it is a big ask but it makes a big difference and enables everyone to relax and enjoy the show.

Wishing you all a relaxing weekend!

## COMMUNITY MATTERS

### Safer Cycling and Scooting

I am very proud of the fact that so many families cycle and scoot to school. Can I please ask that children dismount as you approach the school gates? It is very busy and there have been a few near misses and collisions- it would be great if we could all make it to the Christmas break in one piece.

## CHRISTMAS JUMPER DAY

Don't forget that next Friday it will be Christmas Jumper Day. Please dig out those festive outfits and remember your £1 for Save the Children. As the day ends with Christmas parties children can wear a complete 'Christmas' outfit-**they do not need to wear school uniform.**
