Can you believe we only have 2 weeks until half term? This week has flown by and I have been visited by lots of children who have shared the most amazing work. I have been treated to fact sheets about volcanoes and wonderful stories about mischievous cats! In our celebration assembly we heard from all the class teachers and Miss Letsu in detail about many other successes and achievements. Well done to all the children listed below! Congratulations must also go to our newest VIPs: Ates, Chloe, Veronika and Alara. We are so very proud of you and the example you set to others!

Next week is Mental Health Week for Children and we launched this in today's assembly by discussing how we keep ourselves healthy. The children were very quick to identify the importance of eating well, drinking lots of water, remaining active and how a good night's sleep contributes to our physical well-being. What impressed me even more was how they were able to describe how we can keep our mind healthy too. The children had great strategies for managing their different emotions for example squeezing a toy or stomping to relieve feelings of anger or drawing and reading

when we feel a bit sad. Over the course of the week teachers and TAs will be helping the children to develop a range of self-regulation strategies to keep a healthy mind! There are lots of resources and guidance to support parents and you may want to take a look at the following website: <https://www.childrensmentalhealthweek.org.uk/about-the-week/>

As the cold weather continues please can you make sure your child has their water bottle in school as we have to turn off the external fountains to prevent the pipes freezing?

Before I sign off I would like to thank the Oral Health team for returning to school. Their advice and guidance at the coffee morning was really well received it was just such a shame that only 2 parents could join us!

Wishing you all a wonderful weekend

Mrs Williams

COMMUNITY NEWS

Parking

The school council and JTAs would like to ask the following cards to stop parking on the zig zags:

DN61 ABX

LM63 YBB

FD63 MBG

They would also like to thank the drivers who are making safe choices. We have seen less cars in front of the gates. Let's see if we can stop it completely to ensure we all stay safe. The travel team will be meeting with Councillor Tickner and Councillor Wells to discuss how the council can support us further and to express our concerns about the proposal that Park Road be shut to traffic from Southend Road.
