PRIMARY SCHOOL

NEWSLETTER

26/04/19

What a wonderful week we have had back at school! The children have returned to us focussed and determined to do their best. There has been such a positive atmosphere all around the building that I know that it will be a great term ahead!

In assembly we have re-visited the Worsley Way:

At Worsley Bridge Primary School we:

- Believe in ourselves and are aspirational;
- Are honest and use kind words to show we care for and respect each other;
- Show gratitude by appreciating our school and the community around us;
- Are resilient because we try our hardest, even if we are faced with a challenge;
- Are curious and enthusiastic learners who can work collaboratively and independently

Over the coming term we will be thinking carefully about how each of our values can look in classrooms and around the school. Mr Bennett focussed on how to be more aspirational in this morning's assembly. Already 1W have aspired to have every member of their class on at least silver by the end of the day- I shall be checking with Mr Abrahams to see if they made it. Children demonstrating 'aspiration' will be placed on our recognition board and the school council will be deciding

how we celebrate this achievement at their next meeting.

Today the year 3, 4 and 5 council members accompanied Ms Smith and I to the Bromley Foodbank. We met the manager Clare who explained to us how the foodbank gathered its donations and how the food supports families right across the borough of Bromley. Clare then put the children to work weighing and sorting food donations so they are ready to be delivered to the many dispatch centres across Bromley. I was so impressed with the way the children listened and identified how a family might enter a crisis and need support. The

children worked tirelessly and should be very proud of how they have supported such a worthy charity. In April alone over 300 families have benefitted from this organisation. Donations to the centre located at the Civic Centre in Bromley can be made at anytime!

Walk to School Week Monday 29th April to Friday 3rd May

Now Spring has finally arrived it would be great to promote this week by walking, scooting or cycling to school. There are lots of reasons to travel actively, it is good for our health, helps the local environment and keeps the roads around school free from congestion.

We will be handing out badges at the gate for children who have actively travelled to school and we have also sent out 'design a logo competition' to all Key Stage 1 and Reception classes.

Please encourage your child to participate in the competition and we look forward to receiving some bright and colourful entries. The closing date is **Friday 10th May**.

Accident-your help is needed

Are you able to help? At drop off on **Tuesday the 23rd April** at 8 40am **a black BMW** went into the car of a parent here and drove off without leaving any details. The parent's vehicle with the registration number W11 UFK has been left quite badly damaged .

Did you see anything that may help identify the driver and vehicle as this parent is now left facing a substantial repair bill. Please let the office know if you have any information that may help.
