On Wednesday Year 4 braved the rain and made their way to Hampton Court Palace to find out more about life in the Tudor period. The children had a fantastic day and received many compliments about their impeccable behaviour. On their return to school the children made presentations to each other about what they learnt from their visit and I know they are looking forward to their next trip to the Tower of

London! Well done Year 4-we are very proud of you and the way you represented Worsley Bridge.

Dr Bike will be visiting Worsley Bridge on the 20th May. This is your chance for a free MOT for your bike from Bromley's fully qualified mechanics. The team can inspect your bike and fix minor faults such as brakes, chain, cables, gears and tyre pressure. They can also advise you on correct saddle height and help to fit your cycle helmet correctly. If you would like to take advantage of this offer please use the link to book your

place:www.bromley.gov.uk/DrBikePrimarySchoolBookingForm

Please can we remind parents to return Sports Day letters so that we can give the kitchen plenty of notice regarding our picnic lunch? We also want to be very clear which children will be leaving with their parents and who will be staying behind. If you need a new form please speak to the office.

Have a great weekend

Sporty Staff

Over the bank holiday weekend staff at Worsley Bridge took the opportunity to take on one or two sporting challenges. Congratulations to Mrs Drake who ran a 10km race in Regents Park and has already signed up to her next challenge in December!

Mrs Mostafa joined several friends in Henley to complete a 10 mile Tough Mudder. Despite all the mud and bruises she too has signed up for another one in Clapham later in the year!

I also took on my own event and completed the Great East Anglia 10km race in Kings Lynn. It was a fantastic day and thankfully very flat which meant I completed the race much faster than I imagined!

Junior Travel Ambassadors (JTAs)

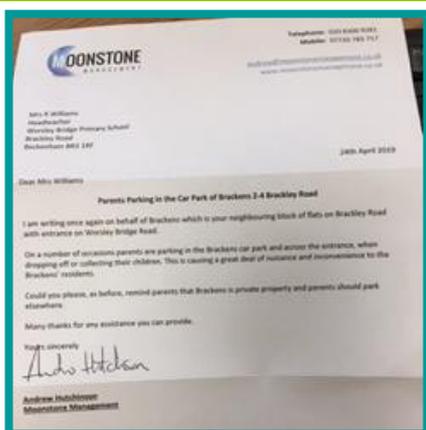

We received the fantastic news that our JTA team are finalists in this year's travel plan awards. A few weeks back Dontaye and Talulla made a presentation about all the things we do at Worsley Bridge to promote road safety. Their presentation was so impressive they are one of only 6 teams to be invited to a special event where the overall winner will be announced. This is the 6th year we have made it to the final but we are hoping this will be the year we come away overall winners! Keep those fingers crossed.

Lip Balm

A number of children are bringing in lip balm. Please can we ask you to ensure children leave these products at home? Some of the ingredients can cause allergic reactions. We have also recently discovered children sharing the lip balms sticks and no doubt a few germs too!

COMMUNITY NEWS

Poor Parking Affecting our Neighbours

Please can I ask parents to park considerately when dropping off and picking up? Neighbours in Brackens, Brackley Road are frequently prevented from getting in or out of their block of flats because parents are parking across the entrance or in their private car parking spaces.

I have written to the residents to apologise and I have recommended that they report offending cars to the parking enforcement office and Councillor Tickner.

We have worked hard to build good relationships and a positive reputation and we would like to protect this. Please support the school by finding a safe and considerate place to park.
