

WORSLEY BRIDGE PRIMARY SCHOOL

NEWSLETTER

07-06-19

Welcome back everyone! I sincerely hope you enjoyed the half term break. As always it is really great to be back at school and it is clear that the children have used the half term well. Take a look at some of the wonderful homework the children have completed! The quality and standard of work is exceptional! Well done David, Kelsey, Damien, Micah and Veronika.

Any parent that have been on the school run this week will have noticed that the school is currently covered in scaffolding. I am really pleased to be able to report that we successfully bid for grants to replace the roof and for a new heating and cooling system to be installed in the old building. Although in the short term there will be some inconvenience the

long term benefits of having a well insulated roof that doesn't leak and air conditioned rooms will be fantastic! Work that doesn't intrude on the day to day life of school will be ongoing but the bulk of the projects will proceed in the summer break. We regularly meet with the project leads to review the progress and ensure that health and safety requirements are being met, however if you spot anything that is a concern please speak to myself or Mr Clark our caretaker.

Before I sign off I recently met the organiser of 'Clockhouse Celebrates' which is a local festival that brings together live music, local traders and street food on the 29th June at Venue 28 (by The Spa in Beckenham). Unfortunately the face painter they had booked has dropped out so if anyone can help please let me know so I can put you in touch!

Let's hope the weather improves and that you all have a great weekend.

CELEBRATING SUCCESS

Sports Day

On the last Friday of term we once again held the 'Worsley Bridge Olympics', which saw a great turn out in spectators! We were very lucky with the weather and the children performed incredibly well in the heat! The sportsmanship on show between the children was incredible to see, with even the children not in the first three being gracious in defeat. We would like to thank all for coming and send our congratulations to those children in the winning red team!

The Worsley Wildcats

On Saturday the 1st of June The Worsley Wildcats Cheerleading team participated at the 2019 Allstar games competition held at Crystal Palace Sports Centre . The Allstar games saw over 350 children competing to a 500+ strong audience in-front of 3 top professional industry judges . The Worsley Wildcats were fantastic and really did their school proud . All of the children involved thoroughly enjoyed the event and are looking forward too competing again next year.

COMMUNITY NEWS

Families Together

There will be 'Families Together' after school on **Thursday 13th June** following our theme of Jesus showing Himself alive after Easter when He appears by the lake and invites His disciples to breakfast! The children at Worsley Bridge are invited to join the wide range of activities, fun and games at the cost is £2.50 per child, as you know this will include tea in the church hall.

On **Saturday 15th June** we have our Summer Tea Party at St Paul's and hope very much the weather stays dry for the activities for all ages out of doors throughout the afternoon, games, a Bouncy Castle and Live music. Tea will be served at 3.30 pm and the event is free of charge, though donations to support the work of St Paul's are most welcome.
