This morning Mrs Drake led a very thoughtful assembly to help the children understand the reasons why we sell poppies at this time of the year and the significance of the two minute silence. The children responded very well by showing great respect and empathy for those who have been involved in war and conflict. Our poppy collection pots were very heavy this year so we thank you all for your donations and will let you know the total raised as soon as we hear from the

Beckenham British Legion.

It was really good to see so many families at our recent parent's evenings and we thank you for taking the time to complete our parent survey. It is really important to us that we seek your views and consider your feedback. We haven't collated all the responses yet but the general impression is very positive-so thank you! We will be looking closely at the areas we can improve on and we will invite you for a parent forum to explore your views and suggestions in more detail.

We hope that you will be pleased to hear that the majority of families are keen for Simba to become part of life at Worsley Bridge so we'll begin planning how this can happen. Naturally there are some families that would prefer their children not have contact with him and we would like to reassure you that your views will be respected and plans made accordingly.

St Pauls' Church would like to invite all our families to the next Families Together session on Thursday 14th November. The afternoon will begin at the

Welcome Café from 3.45 pm. The title this week is "Building the best" with the parable Jesus told his disciples of the good builder and the bad builder. Jill (one of the church volunteers) has thought up some unique activities for the children to participate in and the other adults will lead the usual games and storytelling. As always the session will conclude with a family tea and finish at 6pm. Charges continue to be £2.50 per child.

Wishing you all a good week.

Mrs Williams

SAFETY AND WELL BEING

Attendance

Please can families make an extra effort to arrive on time? School gates open from 8.40am and children must be in class by **8.55am**. A number of families are rushing through the gate at 9am and there is a danger that children are going to be missed off the register or dinner register. Arriving late can be very stressful for a child and have detrimental impact on learning throughout the day.

This week whole school attendance sits at 95.8%. The class with the highest attendance is 4W and they will be able to add 3 ping pong balls to their Golden Jar.
