18-11-19

This morning started really well for me when I bumped into Rania and Jaely. These two wonderful girls have taken it upon themselves to organise their cloakroom area so that children can find their belongings easily. There are new labels, posters and specific places for the children to place their PE bags! Girls, I think I need your help at home to organise my children! Thank you, we are lucky to have such thoughtful children and that is why Worsley Bridge is such a special place to be.

Mrs Swain, Mrs Foley and 5W took a trip to the Portrait Gallery last week to support their work on the Victorians. The children were very excited about eating lunch in front of the pigeons in Trafalgar Square. Kian liked drawing the marble bust with the white crayon on black paper and Millie enjoyed looking at the Victorian portraits. Paige really liked the detail and the brush strokes in the picture of the young Queen Victoria and Conor and Lily were interested in seeing the different techniques the artists used, especially the brush strokes on Ed Sheeran's beard-although I'm not quite sure how he fitted into the day!

A very popular club this term is Health Club run by Mrs Dalton-Smith and Miss Hicks. Each week the children look at an aspect of keeping healthy and this week the children had the opportunity to look at how food contributes to a healthy life style. You can see from the photograph that the children had an interesting session tasting different fruits and the teachers were very impressed at their willingness to try fruits they hadn't eaten before!

Some of you may remember that last year children in year 3 participated in Steve McQueen's Year 3 portrait project which involved a team of photographers capturing pictures of year 3 classes right across London. The exhibition is now open at the Tate Britain and we are part of the project. Those of you

that travel by train regularly will have seen billboards featuring other year 3 classes. If you are out and about keep your eyes peeled for Worsley Bridge as we do not know where we may appear! More details can be found via this link. <https://www.anewdirection.org.uk/steve-mcqueen-year-3>

Just before I sign off I have been asked to remind parents to label lunch boxes. Children are regularly getting their lunches muddled with their friends because they have the same lunch bag or box. Please help us by adding a label!

PRIMARY SCHOOL

## SCHOOL NOTICES

### Sporting News

On Thursday I took six children to Coopers school in Chislehurst for the annual Bromley 'Panathlon'. Panathlon is a multi-sport carousel event where children are given the opportunity to try out a range of sports such as kurling, basketball and table cricket. The children were amazing and they were awarded with some fantastic medals for their efforts! Well done

Brane, Kelsey, Lewis, Ethen, Wisdom and Suhab!
