NEWSLETTER

09-12-19

The Christmas preparations are well and truly underway at Worsley Bridge as dress rehearsals for our performance took place today! KS1 children are really excited and cannot wait to perform to their families over the next two days. I would like to thank all the teachers, TAs and of course the children for working so hard to prepare the shows!

Children from year 5 had a wonderful morning at the British Film Institute where they had the opportunity to show case one of the films they have been making this term at the HeyDay Film Festival. Eight schools joined together to present a series of short films that have been created with the

help of Jack, Luke and Simon from

HeyDay. Callum and Jessika bravely stood in front of the other schools to talk about their film 'Strangest Things'! I am not going to say anymore as parents will be joining us next week for the school premiere and I don't want to spoil the fun. It was a fantastic morning and thanks go to Miss Letsu for organising to take the children and Mrs Lisi for all her help in creating such a great film!

Last Friday the choir performed for the

residents at the Sloane Nursing Home. They sang absolutely beautifully. The residents thoroughly enjoyed their show, a couple of residents were even reduced to tears they enjoyed it so much! Thank you again to Miss Letsu and also to Mrs Rose for preparing the children so well. You have created lovely memories for members of our wider community!

Parking

Please can I urge parents to park considerately-particularly if you are going to be coming to the nativity shows in your car. Residents are continuing to complain that our families are parking in their private car parks. There are plenty of spaces in the surrounding roads and we are fortunate enough to have the 352 and 54 bus stops right outside. Please help me out Worsley Bridge Families and spread some Christmas spirit by parking carefully or even by trying to walk to school!
