03-02-20

Last week ended with a 'wonderful' assembly from 6B. Tolu the tour guide took us all around the globe to visit the ancient wonders of the world. The children provided us with a wealth of interesting information and then performed the song 'Wonder'. Thank you 6B- you were all 'wonderful'!

Earlier in the week Joel Roberts from Bromley Youth Music Trust (BYMT) delivered a whole school workshop on brass instruments. Joel talked to us about how each instrument can be played and then demonstrated some of the sounds they could make. Some were very strange indeed and had us all laughing! If your child was inspired and keen to try learning to play an instrument then demo lessons can be arranged. Please contact BYMT or our office for more information.

On the 14th February Mr Gwilliam will be organising some inter-class competitions in aid of Sport Relief. More details will be on the way but children are invited to make a donation and wear something sporty and red to show our support for this great event.

Please can I ask for your help? A number of parents reported a series of comments that were made on Facebook criticising the school for the problems caused by inconsiderate parking. Despite our

best efforts to encourage people to park safely we are still faced with the situation captured by a local neighbour. The trail of comments were really quite upsetting as it was holding the school community responsible for the actions of a few. All we are asking is that you take the time to find a space that doesn't intrude on neighbours drive ways or include parking on the zig zags as this prevents children from being able to cross safely and it stops traffic from moving. We will continue to report the problems and urge as many of you as possible to do the same.

Mrs Williams

SAFETY AND WELL BEING

Attendance

Whole school attendance stands at 93.9% Congratulations to RB & 4W for being the classes with the highest attendance, they can both add 3 ping pong balls to their jars. Don't forget that the 3 classes with the highest attendance will be rewarded with extra play time at the end of term! Every second in school really counts so do your best to be in school every day!

RW	93.8%	RB	97.0 %	RP	91.7%
1W	95.0%			1B	96.8%
2W	92.6%			2B	89.2%
3W	95.2%			3B	94.0%
4W	97.0%			4B	96.9%
5W	88.7%			5B	96.1%
6W	93.3%			6B	91.7%

17 to 21-02-20	HALF TERM	03-04-20	End of Spring Term
06-03-20	1B Class Assembly	20-04-20	Return to school

Sensational Learning

One of my favourite parts to any school week is when I am able to share in children's learning. Teachers and teaching assistants regularly send children along to my office because they are proud of the work they have completed. We have great learners at Worsley Bridge and in recent weeks more and more children have been going above and beyond with their homework. The galleries around school show casing children's work are spectacular. Take a

look at Leah's Appollo 11 and Sara's Egyptian village. Truly incredible work ladies!

Charity Collection

Last week we mentioned that some of the girls in year 4 had organised a charity fund raising event for Battersea Cats and Dogs home. So far Rania, Emma, Persephone, Kianna, Davina, Isla and Poppy have raised £42 by organising craft activities. Not only have the girls made a valuable contribution to a very worthwhile charity they have given children lots of pleasure through making their crafts. I am really proud of you all! Well done.
