

Curriculum Key Drivers

Reading- At Worsley Bridge we foster a love of reading where children are able to experience a wide range of enriching texts.

Inquisitive Learners- At Worsley Bridge Primary School inquisitive learners will be aspirational demonstrating resilience and initiative. Children will take ownership of their own learning and be able to create links across the curriculum. These skills will be evident through children asking questions, carrying out investigations and drawing conclusions from their findings.

- Science
- Aspiration
- Resilience
- Initiative

Active Learning- At Worsley Bridge Primary School active learners will be given the opportunity to explore the outdoors and their surroundings. Children will regularly experience trips and workshops which enrich the curriculum and bring to life their learning. Specialist coaches will provide expertise in the planning and delivering of the curriculum.

- Outdoor learning
- Forest School
- Trips
- Workshops/In school experience
- Coaches
- OPAL

Life Skills/learning for the future- At Worsley Bridge Primary School learning for the future will equip our children with the skills needed for the ever-changing world. Children will confidently communicate through writing, technology and public speaking. Children will lead and organise their own learning. Worsley Bridge mathematicians will have fluency in their calculations and be able to reason to solve real life problems.

- Maths
- Writing
- Computing
- Communication
- Leadership
- Organisation

Emotional Health and Well Being- At Worsley Bridge we believe our children are able to communicate about their feelings, they understand how to make friends and manage challenges within these relationships. They understand the importance of their own mental health and how to look after themselves and others.
