

WORSLEY BRIDGE
PRIMARY SCHOOL

**WELCOME
BACK**

Friday 23rd April 2021

I hope you have all had a restful and enjoyable Easter break. It has been lovely to see the children back in school again and we can now look forward to a Summer Term which should hopefully be more 'normal'.

Already the children have settled back into their learning and lessons. Some children from Year 6 have taken part in their Cycling Proficiency and are already getting themselves ready for their transition to secondary school.

Clubs and Coaches

This term we are delighted to announce that we are allowed to welcome back sport coaches, taking all necessary covid compliant measures. The sport coaches will be working across all year groups and will provide each year group with 3 week blocks of different sporting activities until the end of the term. We have already had some great tennis, squash and multi-sports. The coaches have also begun their after-school clubs which have been very well received. Breakfast and after-school clubs are also up and running and it is great to have the whole wider school community with us again.

Covid Reminders

As restrictions begin to ease, we must still remember to be vigilant. Please ensure you are arriving at your time for pick up and drop offs and please -unless you are exempt- make sure you are wearing your face covering when entering the school grounds and leave as soon as you have your child/ren.

School Council

The School Council had their first meeting since our return this week. The children have started to discuss with their classes ways in which we can really enjoy the summer term and make the most of the time that we have left at school this academic year. We will keep you updated with their initiatives.

Reading Passports

Miss Wilkin will be introducing our whole school Reading Passports to the children on Monday. After the assembly children will be given their passports to see how many books they can read from the suggested list in order to achieve their Bronze, Silver and Gold badges. We can't wait to hear from the children which books they are enjoying.

Online Safety

With children spending more time on devices and screens, it is more important than ever that we are aware of the potential dangers and risks. In order to help with this, the school has arranged for ECP to deliver a parent workshop on Online Safety for Parents and Carers. This course will cover; the latest trends about what children are doing online, what internet safety they are taught in school, how to keep your child safe online and what support is available to help you. Further detail can be found on the poster at the end of this letter.

The course will run on the 6th May from 4:00 – 5:00pm

Joining instructions:

To join the training session, you must register on the link below.

Link to register for the session: <https://attendee.gotowebinar.com/register/2414867698130060304>

The registration form will ask for your name, email, role and organisation name.

You will receive an email confirming your registration, with a link to join the training, which you should click on the required date and time. **(May 6th 4:00pm-5:00pm)**

Please check the date and time of the training in the email to ensure you are registered for the correct training.

CEO: Mrs P Farrow • Headteacher: Miss A James

Once registered, you will receive reminders 1 day and 1 hour before the training starts.

More information about joining can be found here [click here](#)

This session is very informative and I hope that you take the opportunity to attend. Every year, the feedback from parents is how they learnt so much and how quickly the internet and apps the children use change.

As always, we will continue to support you and your children here at Worsley Bridge. We all look forward to a wonderful summer term.

Best Wishes,
The Worsley Bridge Team

WORSLEY BRIDGE

PRIMARY SCHOOL

Online Safety For Parents & Carers

Provided by a specialist from Education Child Protection Ltd.

What is covered in the session?

What children are taught about online safety (specific to their age)

Latest trends of what children are doing online

Details of the current 'apps' & games that children are using & playing

The issues & dangers children face online

How we can make children safer online

Details of what support is available for you & your family

What parents & carers who have had us deliver our sessions say...

"I thought it was well-paced, useful and well-delivered"

"Lots of clear information, well presented"

"Although I attended as a parent, I am also a teacher. I will be recommending that we hold a session like this for the parents at my school"

Our online safety sessions are regularly updated to reflect the ever-changing online world & with children using devices to access the internet well before they start school, we would encourage all parents & carers to attend!
