

What a lovely sunny start to the half term it has been. The children have returned to school as always with an amazing attitude to their work, and already have done some incredible work. Now that we have settled back into being at school, we will be sending out our curriculum overviews for Summer Two next Friday. In these you will receive a guide as to what your children will be learning about in each area of the curriculum. If you have any questions or queries regarding the topics, please do not hesitate in contacting your child's teacher.

It has been lovely welcoming back Mrs Drake. I know lots of you have been very happy to see her at the school gates and catching up with her about her little son, Hugo, who is now 8 months old. Lots of children and adults have asked if he is able to crawl yet. The answer is no. He enjoys sitting with his toys around him and will stretch to reach toys rather than moving. Until the last week when lying on his back he has been sucking his toes and kicking his legs, however this week he has started to use his legs to help him roll onto his side. It won't be long before he is rolling.

Mrs Drake has been into all of the classes this week, to see all of the children in their lessons, and has also commented on how well the children are progressing with their learning.

Before the half term break, you will recall that we mentioned that Miss Wilkin was finally able to get married after having to postpone her wedding twice due to the pandemic. She was finally able to get married on Saturday 29 May, to become Mrs Mendez. As I am sure you will agree, she looked absolutely stunning.

WORSLEY BRIDGE
PRIMARY SCHOOL

We were delighted to hand out so many bronze bookworm badges before half term. Please keep up the great work with the reading passports as we can't wait to hand out some silver badges before the summer!

As the sun is shining, please may we remind you to ensure that your children need to come to school with sun cream on, water and a sun hat (if necessary) We do not have much shade on our playground or field, and whilst we will encourage the children to play under shaded areas, you may wish to send your child in with a sun hat.

As from next Friday the PTFA will again be selling ice lollies outside of the playground office.

We wish you a lovely weekend.

The Worsley Bridge Team.
