Dear Parents/Carers,

Well...we made it to the end of yet another tumultuous year! The children throughout this whole academic year have been nothing short of incredible, adapting to so many different situations that they have been presented with. The children have made excellent progress and yet again shown what resilient and amazing young people they all are. Every step of the way the children have been incredible, and have made this difficult year enjoyable and fun in so many ways.

You all have also been so supportive during these very difficult times and through the leadership changes for the school and for that I thank you.

### **Plans for September**

Whilst I would love to be able to provide you with the definitive plans for the children's return on 1 September, I am sure that you can tell from the media and the ever changing 'Covid Climate' that it is currently very difficult for me to predict what life will look like in September. I am of course hoping that we will be able to return to 'normal' in September, however, I will issue the details of our return in late August to you, once final guidance is issued from the government.

### **Farewell**

...and lastly, we say farewell to some incredibly wonderful people.

Firstly, we say goodbye to our fabulous year six children. We have watched these delightful children grow into the most magnificent set of young people; each and every one of them with so much to contribute to the world we live in. We will miss them so very much and our school will not be the same without them. We have enjoyed watching how they matured and developed on their journey through the school. Thank you for making our school a wonderful place to be, for being excellent role models and for allowing us the privilege of working with you. We wish you all the best for the next stage of your journey into secondary schools – please keep in touch.

We also very sadly say goodbye to Mr Abrahams whose flexibility, smile and friendliness will be sorely missed by us all. He has been a tremendous asset to our school, and we will miss him very much.

We also say farewell to the amazing Ms O'Donnell, who has made an incredible contribution to the school life at Worsley Bridge. Her care and support of all of the children will be sorely missed.

Mrs Lacey, is leaving to spend more time with her gorgeous young son, we wish her well and thank her for her very kind and gentle nature with the children. She has really made a difference to so many.

Mr Spear, who has been with us since January, is off to pastures new; we wish him well in his new role and thank him for all his positivity and contributions to our school, especially in year five.

Mrs Ryan will be missed, but is off on an exciting adventure down by the coast. We will miss her energy and happiness around the school.

Mrs Patel has secured an admin role, which we are sure she will be fantastic in. We will really miss her at lunchtimes, and thank her for all of her hard work whilst at Worsley Bridge.

Miss Amado is moving into her first role as a class teacher from September. We wish her luck and thank her for all her support and dedication towards the children.

...and lastly to all of you, wishing you all the most amazing summer with your families. I hope you are all able to fulfil some of the plans you have made. Thank you for your positivity, support and kindness during this year.

We look forward to seeing you all on 1 September.

Best Wishes,

Miss James

Head Teacher
